Exhibiting their outstanding spirit and pride, the Reed Raiders showed everyone, including the Reno Gazette Journal, who was number 1! In a colorful display, the student body united to drive in car rallies to Reno and McQueen High. In addition to the traditional spirit rallies, this year there was a bonfire which turned out to be a great success! By the end of the exciting night, there was a special feeling in the air and the football team was ready to defeat the state's number one Colts from Wooster High. Although the 28-25 score was not in Reed's favor, through pride, determination and the support of Reed's overflowing, enthusiastic fans, our Raiders left a lasting impression on the Wooster Colts!

Reed is the place to be

Homecoming Week at the one and only PLACE TO BE was an assortment of spirit rallies, activities and events. On Monday the heads of freshman were topped with hats; sophomores regressed to the days of the fifties; juniors, as pirates, prepared to duel with the Vikings; and seniors enveloped themselves with the cozy warmth of pajamas. Tuesday the student body demonstrated the peace of the sixties, and Wednesday reversed to backwards and inside out. The teachers contributed their spirit by reminiscing of their childhood career dreams. Thursday students dove into the habilaments of Cowboys and Indians. Finally, the dress-up days came to a halt Friday with the traditional Blue and Gold!

At the assembly, enthusiastic Raiders cheered for their favorite candidates and escorts racing to victory on scooter boards. Class competition and hall decorating was dominated by the juniors and overall school spirit soared to welcome Reed football alumnus, Brent White. The teachers showed pep and support to both Homecoming spirit and our football team by combining their talents in an uplifting MASH skit. Altogether, this years' Homecoming assembly was one of the very best!

The anxiously awaited Homecoming night began with a boom as both freshman and J.V. teams defeated the South Tahoe Vikings. With our varsity team victorious at half-time, fingers were crossed and tension built with the arrival of floats and convertible Corvettes. The winning float was that of the freshmen. The climax of the evening occurred with the announcement of the Homecoming Queen. With ROTC's swords raised in salute, the candidates walked nervously down the red carpet. The anticipating crowd came to a hush and Homecoming Commissioner Jennifer Sommerfield announced the 1986-87 Homecoming Queen... Miss Lisa Duff was awarded the traditional bouquet of roses and crown. Once again the Raiders proved that Reed is THE PLACE TO BE!

Spirited excitement filled the gymnasium at every assembly. This year the assemblies turned out an extremely large percentage of students. Once again our faculty came through with spirit promoting skits. The Drill Team showed just how sensational they are. Since the Cheerleaders have a large squad filled with excitement, they have risen to towering heights with new pyramids and stunts.

This year's annual Powder Puff football game was an exciting and fun, spirit and unity building event. After many hard days of practice, the Juniors and Seniors were ready to show their stuff on that cold, December afternoon. The Junior class dominated the game and came out on top with a 14-8 victory over the Seniors. To add to the fun, the cute cheerleaders showed their spirit by keeping the crowds alive with laughter, especially during the Junior cheerleader halftime dance to "Jungle Love."

To break the intensity of the rivalry between the upper classes, the beautiful Powder Puff candidates were announced at halftime: Chris Empey, Chen Young, Scott Benedict, Spence Stroh, Clay Thurmin, and the winner ... Travis Humphreys, escorted by the jock, Carrie Irwin, was awarded the usual bouquet of carrots. The traditional game at Reed High was a huge success.

In a setting that is much like their everyday jobs, the crazy M*A*S*H military camp proved to be a spectacular foundation for the production.

It provided a great opportunity for students to get involved and get together. Although all the cars were terrific, four cars won in the different categories. Debbie Ayres' '66 Mustang captured best interior. Best paint job was awarded to Mike Jennings' '56 Chevy. Tyler Case's '57 Chevy stole best engine. Basketball Homecoming '86-'87 was a spirited success as the student body united to prove their pride in Reed High! Dress-up days consisted of wild and crazy costumes such as space cadets in luminous colors, and Gumby on Cartoon Day, Tarzan swingin' on Jungle Day, and a few were seen clowning around on Carnival Day. Spirit soared to the limit at the assembly where candidates were introduced prior to a good old-fashioned pie eating contest won by Steve Kamm and Michelle Mc Eachin. Seniors won hall decorating with their creative display of blue and gold in their '87 style! Homecoming week came to a climax once the big game with Reno began. Our J.V. team's victory gave the Varsity an added sense of confidence during the neck and neck battle of the first half. Halftime's activities finally began with an outstanding dance that impressed the crowd. The Homecoming candidates elegantly were escorted under the salute of R.O.T.C. and held their breath as Homecoming Commissioner Jennifer Sommerfield opened the envelope with the name of the Queen. "And the winner is ... Miss Michelle McEachin, escorted by Steve Kamm. The enthusiastic evening ended with a glorious Reed High Varsity victory of 50-48!

In an overabundance of pastel green, peach, yellow, lavender, blue, and pink balloons and flowers accented by silver stars, sparkles, and lights, the excitement of the people dressed in gowns and tuxes was hanging in the air. Finally the anxiously awaited announcement of the King and Queen were made. Cheers and yells were heard as King, Joe Blow and Queen, Jane Doe danced to the theme song "Somewhere Out There." The spirit and special unity of all present proved to make the event a success that will forever be a cherished memory.

On March 13, the annual Army/Navy NJROTC Military Ball was held at Reno's Elks' Lodge. For the past 12 years, this great event has filled the hearts and souls of every NJROTC student with excitement.

This year's theme, "Imagination is the Key," was definitely the key that night.

Every year Reed's NJROTC picks four girls to represent their unit as queen candidates. This year's candidates were Belinda Albright escorted by Donovan Martinez, Jeanne Banks escorted by Roy Adams, Michelle Kaumans escorted by John Christofferson, and Autumn Taylor escorted by Rudy Gomez. The crowned queen was Autumn Taylor. After the ceremonies, couples continued dancing, romancing, and having fun throughout the night.

Our student Government is staffed with the best possible people to make Reed the very best. Their heartworthy effort puts together all the assemblies, dances, special weeks, guest speakers, teacher appreciation and all student activities.

They helped fill our Homecoming weeks with laughter, excitement, and fun. They held a Christmas tree decorating, a luncheon for teachers at Christmas, gathered food for the needy at Thanksgiving, organized "Save a Sweetheart" for Valentine's Day which was put together to stop smoking and chewing, held a blood drive, and produced the Raider Fair on May 1st. They got together with other high schools to exchange ideas at a luncheon.

"There are 'at least 30 students involved,'" commented adviser Denton Gehr. Officers from all classes come to the meetings, so there is input from all grades.

The officers consist of Amy Glover, President; Stephanie Miller, Vice-President; Laura Williams, Secretary; and Courtney Toma, Treasurer.

Commissioners, who are responsible for assemblies and Homecomings are, Valerie Welsh, assemblies; Christina Mayer, assistant-assemblies; Jennifer Sommerfeld, Homecomings; Molly Glover, assistant-Homecomings; Julie Tipps, elections; Jennifer Reidel, historian; Lisa Zonneveld, assistant-historian.

Ghost Towners history club flourishes again this year with more sign-ups than the maximum generally allowed. From trip to trip, the junior and senior Ghost Towners became closer and closer. A pine-nut trip to California and an eerie fright night adventure started the club off with much enthusiasm.

He has been taking kids, teachers, and parents alike, on trips across Nevada to let them see and experience the Native Americans' way of life. These trips are a learning experience about the first Indians in Nevada, made interesting and fun, so much fun that the sophomores are patiently waiting for next year when they can be Mr. Horlacher's Ghost Towners, too.

R o y a l s

The Reed Royals have had a great year, considering the loss of their adviser Lauri Grey who resigned this year because of a want and a need for more time with her two little boys. The new volunteer for the wacky drill team adviser, Mrs. Debbie Stickles, boldly took on the job, and promised them her best. Now, the team says, she is more of a member than an adult adviser. "She even dances with us sometimes . . . or tries," giggled first year member, sophomore Deana Keglovits.

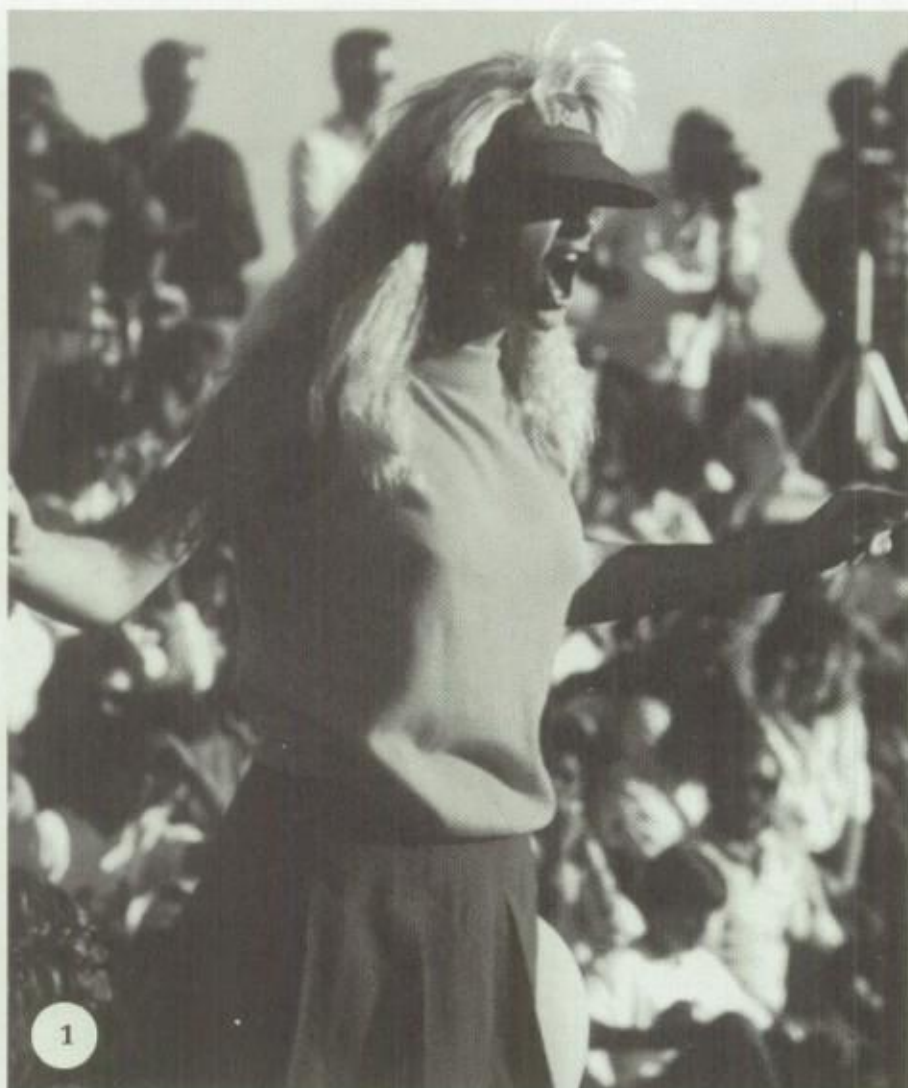

The winning year started with cold football game routines, long marches through three parades, and on to home basketball games and assemblies. Rumors wave through Reed about the awesome drill team this year, which makes all the hard work worth while.

The drill teams' year started with tryouts in the spring and continued on to the second day of summer vacation with every work day practices at 6:30 a.m. The team traveled to a California Camp for a week learning and competing against other schools. But it doesn't stop there. Throughout the whole school year they practiced at 7:00 a.m. before school began.

Captain Stephanie Schopper and co-captain Amy Tremaine have helped the team tremendously by keeping everyone friendly and doing extra things such as parties, secret Santas, and pizza.

An added help was Shakey's pizza parlor which video taped all of the performances for us to watch. At the end of the year, a chance was made to buy a tape with all of the year's performances. Parents were thrilled at the chance to have a party and show off their star daughters.

Well, you can have our picture ONLY because you are on the yearbook staff. (Shannon Dawson, Brandi Briseno)

Keeping spirit soaring high and entertaining audiences with their daring stunts, are the sixteen members of Reed's varsity cheerleaders. These girls have worked hard all year to cheer for every sport that Reed sponsors. They've had to give up some of their own time, during practices held before and after school, depending on their needs.

The squad seems to have leaped forward with great growth this year, doing strenuous dance routines, and death defying feats. Somehow, the cheerleaders make them look so easy and effortless. Their talent only adds to the glamour of Reed High.

Thanks to our varsity spirit squads, Reed High School has been said to be one of the most spirited schools in our area.

That's the spirit that the Junior Varsity Cheerleaders showed at every activity they performed in. They've put a lot of hours and hard work into their practices and it all paid off. They've shown super talent and enthusiasm all year long. The Reed sophomores are proud to have such talented and spirited Junior Varsity Cheerleaders representing their class. They've brought lots of excitement and pride to every activity and have participated in the kind of fun that's important to every school. The twelve cheerleaders have worked together and have helped Reed High School activities in many ways.

CHEERLEADERS

Spirit is a must at Reed and the freshmen cheerleaders have brought a lot to us. They came into Reed with full force and showed spirit for the underclassmen. They've practiced hard and they've done a super job all year.

The squad has been there at every game to support their sports and get the crowds roaring. And that's exactly what they did. Their great spirit was not only present at all of the freshmen games, but also gave us that added enthusiasm to all of the assemblies.

The freshmen cheerleaders helped give the 1990 class a great first year to lead off the rest of their awesome High School years.

BOOSTERS

The big hearts that made up the Reed High Booster Club were always faithfully at our games and activities, sacrificing their personal time, dedicated to accomodating Reed's sports.

Always behind the counters were these pleasant smiling faces selling us hot or cold drinks and food to calm our hunger. Serving Reed students, parents, and faculty seemed to be a number one priority to them.

They provided support to us in many ways and added to our ability to grow. For this we thank them. They are making Reed better and better every year.

1. I've been caught! (Carol Desenfants) 2. I hope I get paid for this! (John Glutch) 3. Don't EVEN take a picture of me! (Sybil Maldonado) 4. Yes! It's COLD! (Erna Repsher) 5. Is this thing going to hurt me? (Spence Peterson) 6. Do I get to be on the cover? (Larry Lorten)

Whether at a national, state, or local level, PTSA is generally an association made of advocates for America's children.

They become intensely involved in the students' education, and their health and welfare issues.

For the state of Nevada, the goals in PTA are educational funding, class size, alternative sources of revenue for education, school library funding, and elementary school counselors.

As for Reed High, the PTSA is headed by Gini Cooper-Watts, and Greer Gladstone. They shoot for the establishment of student scholarships, the establishment of teacher professional development grant(s), the development of a teacher appreciation day, and increased parental involvement.

This organization makes Reed a complete school that is able to run properly to its full capacity.

Improving from past years in size and moral, this year's 150 cadets with a permanent Battalion staff flowed much smoother than last year's 125 cadets and a constantly fluctuating staff.

At the Brigade Drill meet on November 13, the Drill team with Arms and team without Arms won both overall trophies and also obtained two individual trophies. Early in the second semester the NJROTC/MJROTC Drill meet was hosted by Reed for schools all over Nevada.

This year's Battalion Commander was senior, Mark Laine.

SPECIALTY GROUPS

CAR CLUB

The first Reed Auto Truck Club was started to organize and promote the car show and to raise money and organize the whole affair. They planned two successful car shows during the year with the help of willing students wanting to show off their treasured cars. They didn't expect such a great turnout when the car show was first held but ended up very happy with their accomplishments.

When the weather warmed, they planned rallies and cruises with other car clubs.

"The cars and trucks in the club range in years — 1948 through 1986 — in size, models, and personalities. Anyone with a love for cars is welcome to join," explained president Traci Carbon.

The Reed Auto Truck Club is a club with open doors to anyone who is proud of an automobile.

bon, Jose Languno, Mr. Norman (adviser). SECOND ROW: Mike Jennings, Kurt Jenson. THIRD ROW: Greg Lawson, Danny Akers. 4. "Look at that shine!" (Danny Cuttler)

Advertising Artists: Scott Benedict, Ronle, Robert Bowlin, Kirk Braunstein, Michelle Britton, Bubba Buck, Scott Crothers, Chris Coffin, Carrie Mc Vay, Jessi Mc Vay, Brad Davenport, Ron Rushe, Lisa Engebritson, Steven Fong, Mena Garcia, Trevor Hawkins, David Kling, Brett Holmes, Nicki Jensen, John Ly, Robert Link, Ben Miller, Jason Moad, Al Mueller, David Paley, Scott Pearson, Emily Pehle, David Powell, Ron

Raschen, Stephen Raulston, Alan Roberto, Kelly Rose, Blake Sammons, Tommy Smith, Tom Stafford, Kim Venzon, James Wight, Jeff Wright, Fred Yotter, Brian Yuill. 2. How Attractive! (Tom Tucker) 3. "Yes, this is my great work!" (David Powell, John Key, Brian Yuill) 4. Working hard to build a masterpiece. (Bubba Buck, Kirk Braunstien, Ron Raschen, John Key, Brian Yuill)

Advertising Art is a class designed to meet school and community advertising needs through posters, programs, and invitations. Their posters can be seen hanging on the walls promoting the games or the different activities going on in the school. Programs and invitations are their more creative specialties. Such work has been displayed at the Spring Grand March representing the several organizations participated by our own Reed Raiders.

The class is also directly involved in creating an art exhibit for the annual Senior Citizens night, which is presented by the Fine Arts Department. Mr. Tucker, the adviser, has challenged his talented students with many creative ideas, such as this year's, John Phillip Souza, a musical artist, as an exhibit admired by all who walk through our halls. Advertising Art is a great club to broaden your creative ability.

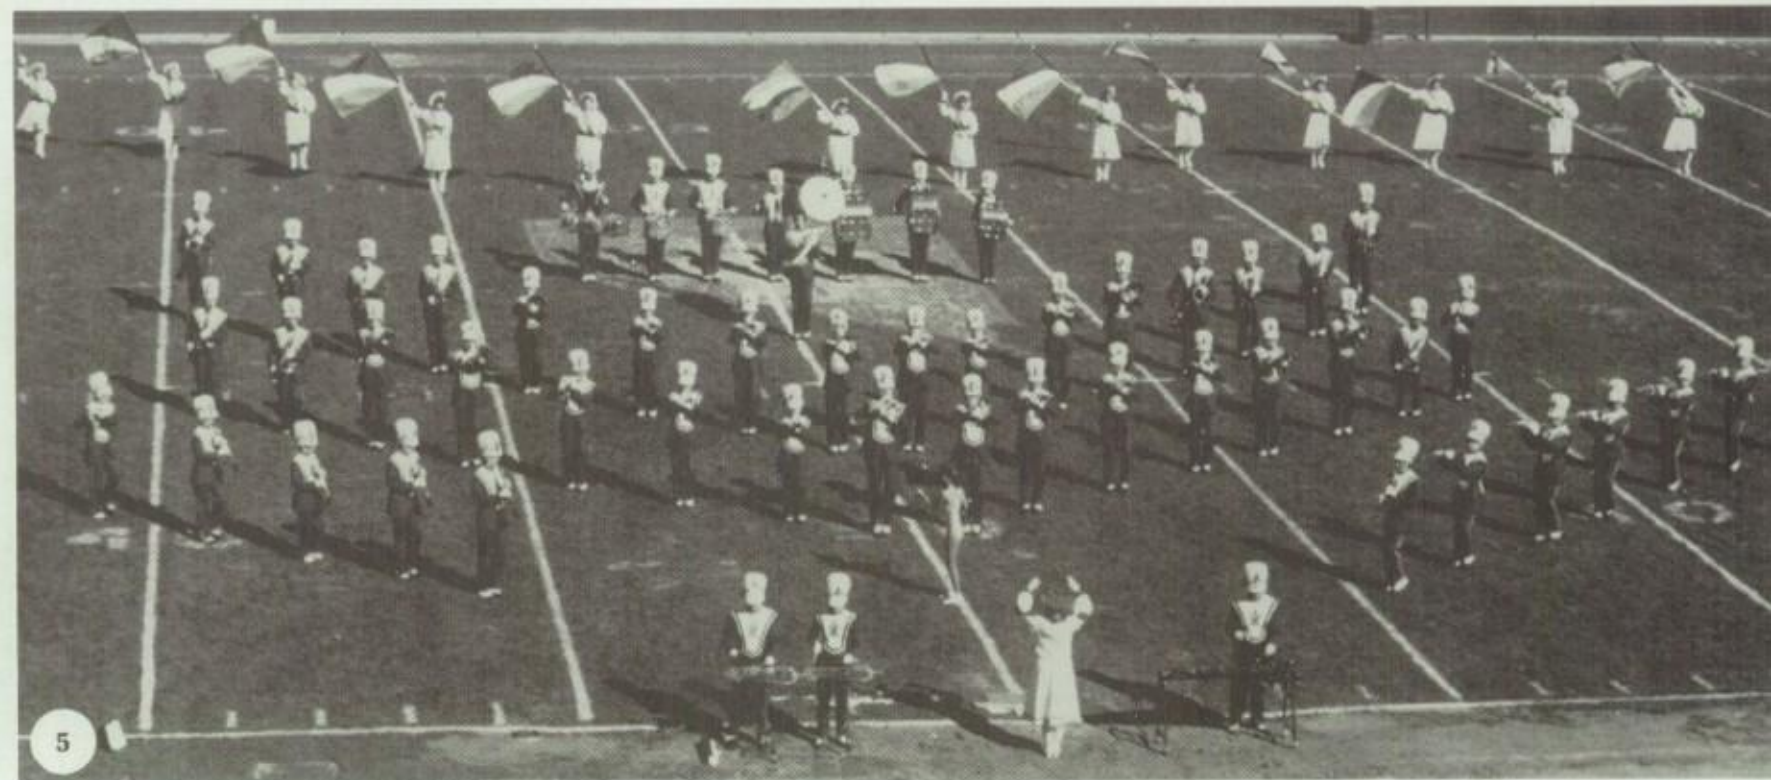

ADVERTISING ART

Wendy Wiggs, a senior this year, has been an excellent drum major, being chosen best drum major at the annual Sierra Band Crusade which took place at Mackey Stadium. She is also the second chair flute player in Reed High's band.

Teresa Wall has shown great talent and spirit participating in this year's marching band as our baton twirler. She also learned to play the bells and performed in Reed High's Christmas concert with the band.

Flags Add to Color

Spectacular colors of blue, gold, and white flew high in the air as the Reed High School flag team enlightened the games with their fantastic abilities. The complimented performances were well deserved, as the flag team practiced not only with the band during a school day period, but also with frequent practices on their own time before school, during lunch, and after school. The dedicated ones, if interested, sometimes move on after graduation and join the excellent team up at UNR. The team has done very well this year and the members are very proud. They have a right to be, they did very well.

MARCHING

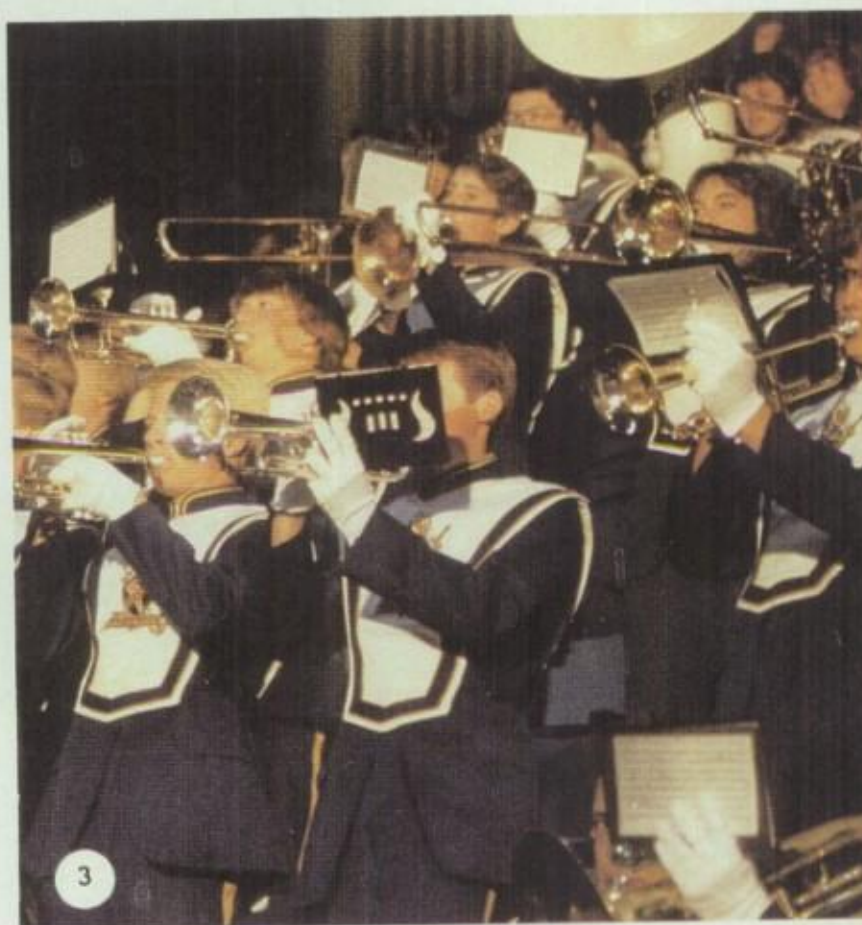

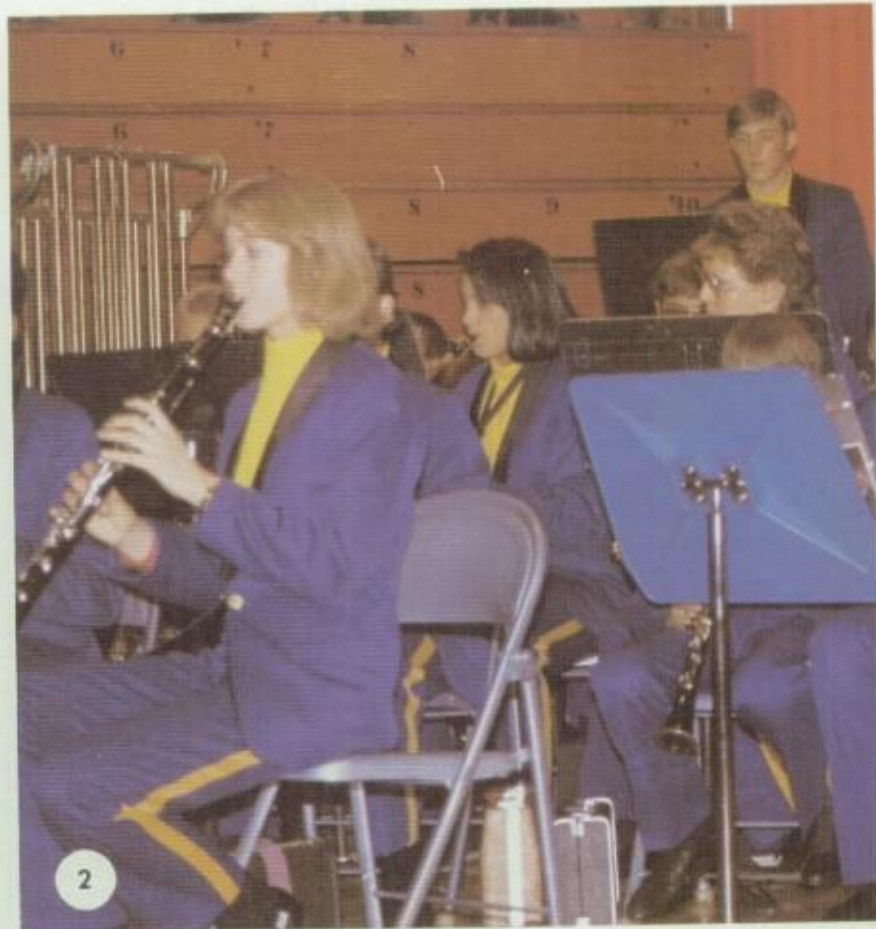

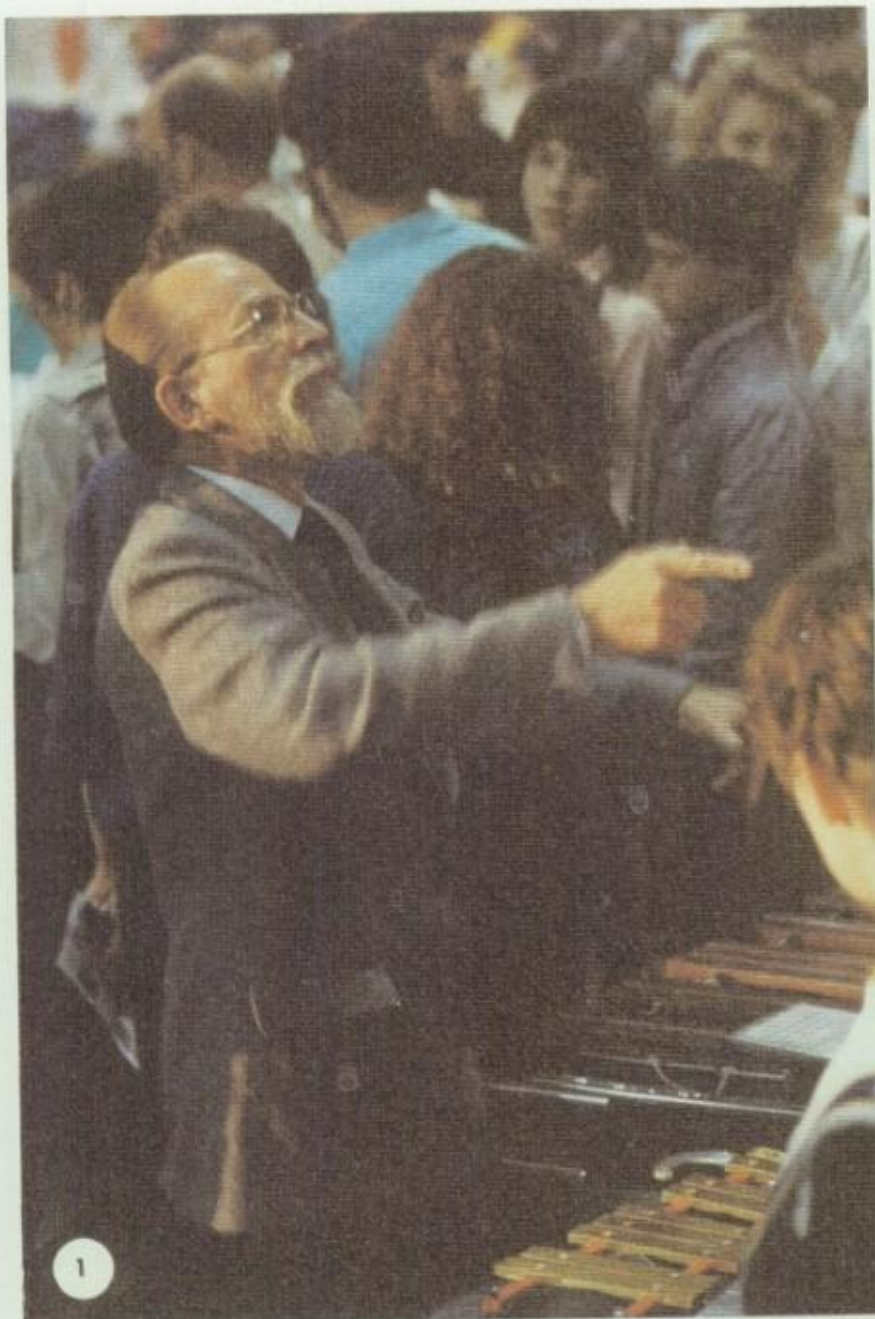

BAND

Band Continues Excellence

Under the direction of Mr. Felton Hickman, Reed High's Marching Band has completed another successful season, taking first place in two parades, the UNR Homecoming Parade and the Nevada Day Parade in Carson City; having the honor of being chosen to entertain the crowd at the Honda convention at Harrah's Automobile Collection; winning the unofficial spirit competition at the political convention at the Lawlor Events Center for President Reagan, and being the only band chosen to play for Vice President Bush at Reno High School. Out of the 77 students involved in Reed High's Band program, there are 12 seniors, 18 juniors, 19 sophomores, 28 freshmen, and 16 flag members, 9 of whom play instruments in concert band.

It's my turn now, Paul!

Led by first year Reed teacher Nancy Veenhuis, the Reed High School Choir showed through with exceptional talent this year. Upholding the legacy of past year's choirs, they started off the season with Open House in November followed by the Christmas Concert in December. Mrs. Veenhuis' enthusiasm has sparked new ideas for the choir including plans for a musical production held in May.

To add the Music Department's outstanding capability was the talent of the strigs' program. Many of these students were involved in the Washoe County Youth Symphony. The director for strings' program this year is Nancy Hoffman.

This year the All-State Band members will travel to Elko to perform a concert with other students from all over the state of Nevada.

As always, the popular Pep Club at Reed High was very active and boasted over 100 members. Not only did they attend all the games to help cheer the teams to victory, they also provided support by decorating the halls with motivating signs and having fund raisers by selling spirit promoting items. As if that was not enough to keep them busy, they also generously gave up their valuable time to go on long bus trips to such places as Douglas, Carson, South Tahoe, and even Las Vegas for state tournaments. All the student body appreciated Mrs. Epper, the adviser, and all the members of the Pep Club for their time, effort, support, and various ways of showing our opponents which school is the most spirited around.

The Washoe County High School Rodeo Club consists of representatives from all of the high schools in Washoe County competing together against other counties instead of school against school. They get their funding for competition in rodeos from such events as Cow Pennings since no fundings are available from individual schools or the school district. Each individual competing must pay for his or her own transportation, food and lodging.

The State Rodeo will be held in Ely, Nevada this summer. The points used to determine who will compete in State are taken from scores in the best seven of the twenty rodeos offered in the various counties. The top four riders in each event are eligible to compete in the National finals to be held this year in Pueblo, Colorado. Those competitors placing from fifth to eighth place in the State Finals have the chance to compete in the International Invitational High School Rodeo to be held in Fallon this year.

Officers from Reed for the Washoe County High School Rodeo Club are Matt Tonkin, Vice-President, and Todd Leary, sergeant of arms.

GALLERON

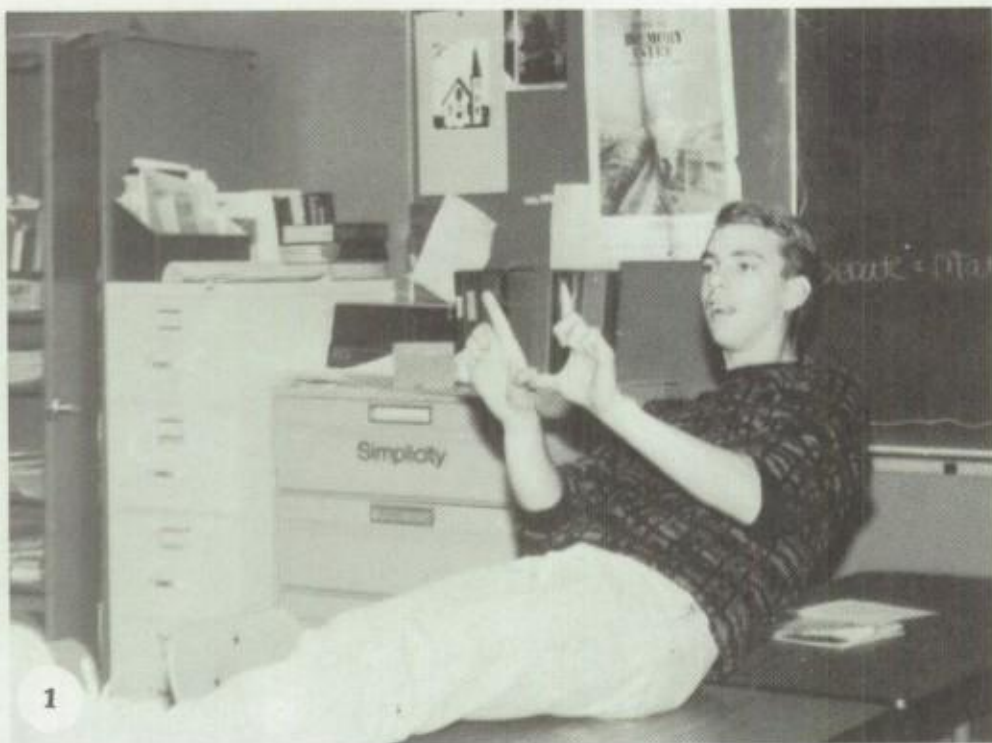

Once again some twenty five individuals have put their heads together to produce a fine representation of the year's activities. The yearbook staff suffered through the deadlines, laughed through the activities, and developed an understanding of the school's living process. Again with excellent cooperation from the faculty and staff, the school community was theirs to capture in photos.

Literally, approximately 80 rolls of color film and 130 rolls of black and white film, with almost 4500 individual pictures involved, were sorted through to obtain the variety needed for the book. That doesn't include the class "mug" shots. Our thanks go once again to Ross Photo for their great cooperation and activity shots.

With the community's support, the staff's dedication, and the help and friendship of Taylor Publishing Representative John Stephenson, "We made it!"

Assign stories, relax; think about stories, relax; start writing stories, relax; deadline, panic! That's the usual attitude between papers for the members of the staff of La Fuente. Obviously it's not all work or all play but a combination of both.

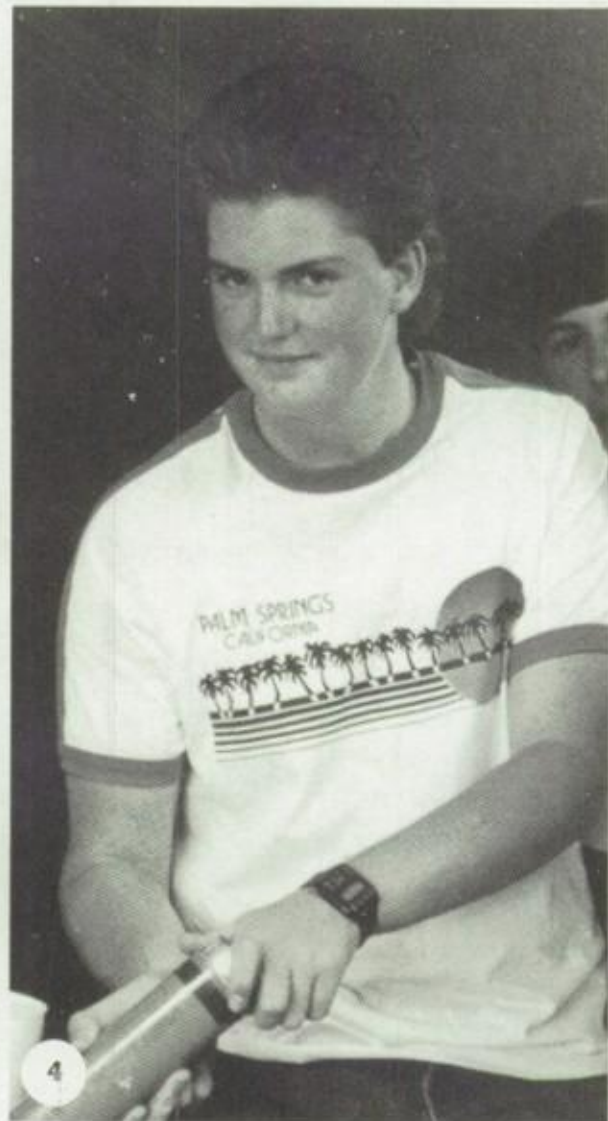

This year only three area high schools regularly produced newspapers. The total cost of producing a paper is in the hands of the staff. Each issue at Reed costs approximately \$450. The cost is paid for by advertisements in the paper and a percentage of each yearbook sold. The publications' staff are totally in charge of their destiny and, through their dedication, Reed's La Fuente is regularly produced monthly.

Not only does the staff produce La Fuente, it also, once again, produces the Washoe County School District's First Edition, a paper for all employees in the District. They also produced a special edition of La Fuente which was sent to all Reed parents by the administration and PTSA.

Busy, yes; fun, yes; worth it? You bet!

With a change of faculty leadership, Infinity has shown a change of personality. Lori Thomas took over as faculty adviser this year in the absence of long time adviser Nikki Elliott, on leave for a year to pursue her Master's degree in English.

Infinity, a compilation of poems, stories, and other literary works of students and staff members, is creatively presented by a group of dedicated artists and layout designers. The new format of the publication is a tribute to their creative minds and the openness of support for such a publication.

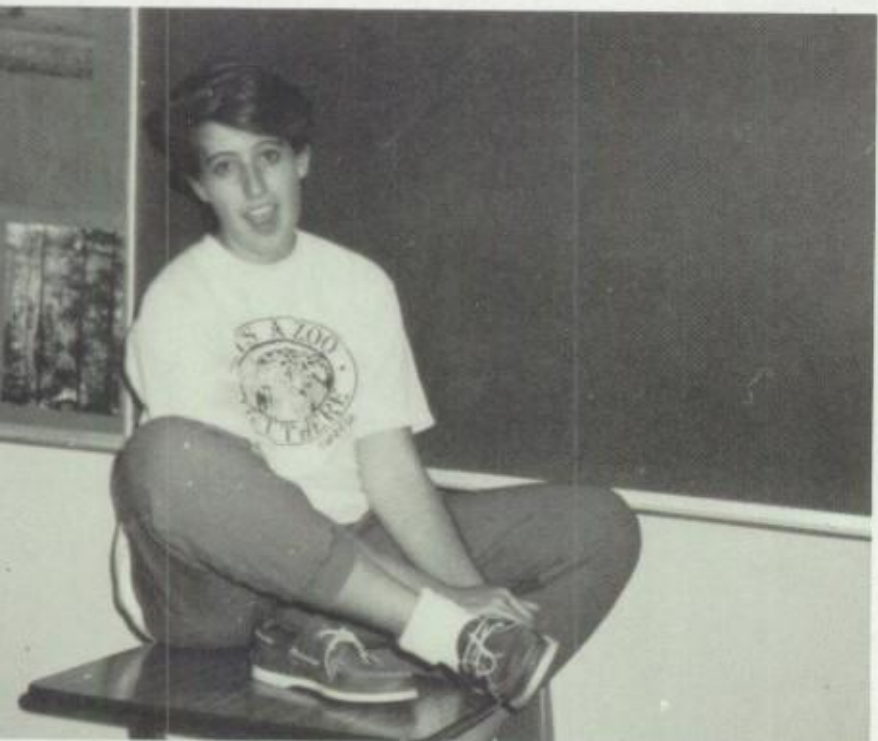

Much thanks for the success of the book goes to Dolly Baber of the Washoe County School District print shop. She and her staff put the students' creative talents into reality.

Members prepared winning speeches and participated in such individual events as Oratory Speaking, Dramatic Interpretation, and Expository Speaking. Tournaments this year included League, State, District, and the UNR-Berkeley Invitational.

Brian Gladstone, Andrea Juillerat, Lauren Shapiro, and Kim Wilson were Reed's top speakers; they have earned the esteemed "Double Ruby" award given to students who have earned over 500 points in Debate Tournaments. The Debate Team will continue to increase in membership and reputation in the years to come.

HONOR

SOCIETY

Seventy-two bright and talented students have brought a lot of recognition to Reed High School through the Honor Society. These hard working juniors and seniors have worked through their high school careers to maintain a 3.25 or better grade point average. They've also offered their help in tutoring other students who need help academically in school. Reed High is proud to have these scholars representing us.

Academic Olympics is a group of students who competed against other schools using their knowledge of history, science, English, math, international affairs, national affairs, fine arts, sports, economics, and other miscellaneous categories to answer questions. They used their brainpower to achieve longreached goals. They had to be chosen by a committee to be on this prestigious team. Their advisers, who helped them through their trials, were Ginny Young, Paul Nagel, Pat Griffin who must be very proud of their fourth place Zone finishers.

ACADEMIC OLYMPICS

Committed, even though the intake of students to the program is low, Mrs. Chism will continue to do her best keeping the program open. She feels the students add color to any high school. Seventeen students are currently involved in the program at Reed which considerably went down from previous years.

There are more ESL students in elementary schools than high schools so hopefully more people, as they come to high school, will stay with the program. The two important reasons for the population being so low is because the School Board rezoned the area and many of the students are going to Sparks High. Secondly, the government has opened more centers for the students of other nations still on their way.

FOREIGN EXCHANGE

New faces come to fill our halls with a heterogeneous atmosphere. The exchange students are Hilke Arnau, Lars Fricke, and Barbara Eckert from Germany; Torun Eklund and Heidi Jaakkola from Finland; Mattias Joelson, Karin Sanelin and Andreas Thelander from Sweden; Gunnhildur Gunnarsdottir from Iceland; Joep Vanpoppel from Holland; Enrique Rovira from Mexico; and Eric Vanneste, a French aid to help the advanced students.

Andreas Thelander helped the ski team with their seven and one victory this year. He was number one going into Zone and did a tremendous job of skiing. "The countryside with all its mountains, lakes and deserts around is something I really enjoy," commented Hilke Arnau from Germany. Lars Fricke is involved with yearbook photography as well as Ghostowners and ping-pong. The one thing he misses most from Germany is the homecooked bread.

LANGUAGE CLUBS

Foreign language clubs have been well represented and exciting for the members as well as beneficial for the school. The French, Spanish, and German clubs are all unique in their purpose and goals. The clubs are not based primarily on the languages, but on the cultures of the countries. Students join the clubs not only to learn more outside the classroom, but also to grow and meet new people.

The French Club consisted of about 30 members this year. The club planned many exciting events and fund raisers to prepare for the trip to San Francisco at the end of the year. The club's first meeting, a French-style luncheon was followed by a Halloween masquerade party with prizes for the winners. Towards the end of the year, Reed's own Tour de France will take place with a picnic as well as a bicycle race.

The Spanish Club has grown to consist of about 45 members this year. Through a car wash, selling Valentine Grams, and various lunches that were devoted to helping four of their members finance a trip to Cancun. At the end of the year, Spanish Club will more than likely go to Santa Cruz for a vacacione!

The 18 members of the German Club and adviser Mr. Parkhurst have devoted most of their meetings this year to planning for the arrival of 20 German students from Frankfurt. The German Club found homes for the students who were here for month. When not planning for their visitors, the club had general meetings, a Halloween party, and a special dinner.

All in all, our foreign language clubs grow more and more each year and this year has been a wonderful success!

Future Business Leaders of America is a group of students who gather together to improve their business skills and leadership abilities. These students also compete against each other and other schools. They also meet a lot of new people. They get to meet many established people in the business world. This club has given them a taste of the real business world.

On February 11, Yvonne Rose (President) went to Carson City to meet Governor Richard Bryan, as he signed a proclamation for FBLA week.

"In November, four of us went to California, where we stayed at the Disneyland Hotel. We attended the Western Regional Conference," stated Yvonne.

The noise of pins falling down, bowling balls smashing against each other, and the chattering of teenagers socializing was the scene every Wednesday night at Greenbrae Lanes when the Reed High Bowling Club gathered together.

These youngsters not only have fun but they also compete for the awards and prizes they receive at the end of the year. The progress and the skill they achieve during this time is greatly recognized.

"We have lots of fun times and I have many memorable experiences in this Bowling Club. And besides, I have improved a lot," commented member Ken Roesler.

The success and growth that the club has had is greatly because of adviser Ginny Young, who has organized the club and has had many laughs doing it.

Futuristic fun and fantasy spurs the imaginations of the students involved in a new club, created this year, called Strategic Computer Simulation. This imaginative new club provides an exciting escape from reality through computer animated adventure games like Star Trek. These games give the club members a chance to stretch their minds to add to their creativity.

Dungeons and Dragons Club is another organization founded to give students a chance to travel through a mythical adventure. This dreamland of mazes, magic, and monsters gives these gifted members and fantastic venture into the unbelievable and unknown.

For those students that participated in these clubs, they have the power to visualize nearly anything.

EQUAL PEOPLE

"If you can do it, we can do it too." That is the attitude of the members of Equal People, a group of Reed High School students with physical disabilities.

Equal People are involved in a wide range of activities. They participate in such sports as football, table tennis, baseball, tennis, basketball, volleyball, and much more. In order to get more fun out of these sports, the group has adopted the A.P.E. program (Adaptive P.E.). In this program, it allows them to alter the rules in such a way as to fit their needs.

They also participate in recreation you wouldn't expect. They are involved in golf, fencing, and skiing. "The reason we can do so much is because of our attitude. We believe we can do anything and we meet the challenge," said Kenny Kratzmeyer.

The leaders of Equal People are President Laker Tobey, Vice-President Tina Kratzmeyer, Secretary Dena Baldrige, Treasurer Kenneth Kratzmeyer, Historian Ty Davis, and Chief member Candy Gil.

In March, Equal People threw a party for some disabled students at Roger Corbett Elementary School to introduce these youngsters to the Equal People programs.

Close Up is a nationwide governmental study group. Students from high schools in the U.S. and other countries interested in how the government works and how it affects their lives, had the opportunity to take a trip to Washington D.C. to visit the White House, Congress, the Supreme Court, and other governmental institutions during Easter vacation. They attended seminars with our state's congressional representatives, participated in a workshop at the Pentagon, and even heard the President speak! The club toured such monuments as the Vietnam Archives; the Washington, Lincoln, and Jefferson monuments; and got to see the original Constitution and the Declaration of Independence. On theater night, the club viewed Broadway touring company and was treated to dinner, and on Friday they had a free day for the club to goof around and visit the parts of Washington they didn't see during the beginning of the week.

"Ski Club is great because you don't have to know how to ski — you can learn. You are able to meet new friends and ski with old ones. Then come the overnighter that no one wants to miss!" says Jennifer Gascue, Treasurer.

The Reed High Ski Club is for beginner to advanced skiers. They go skiing at various ski resorts in the area in order to see different places and have an opportunity to ski different hills. "The fun things are skiing with friends," says Steve DeCarli, this year's 3rd Vice-President.

Lessons are provided to improve skiing capabilities and fundraising makes it possible for members to ski at minimal or no cost.

Ski Club is one of the oldest clubs at Reed High School and is highlighted each year with its annual overnight trip to Mammoth Mountain ski resort.

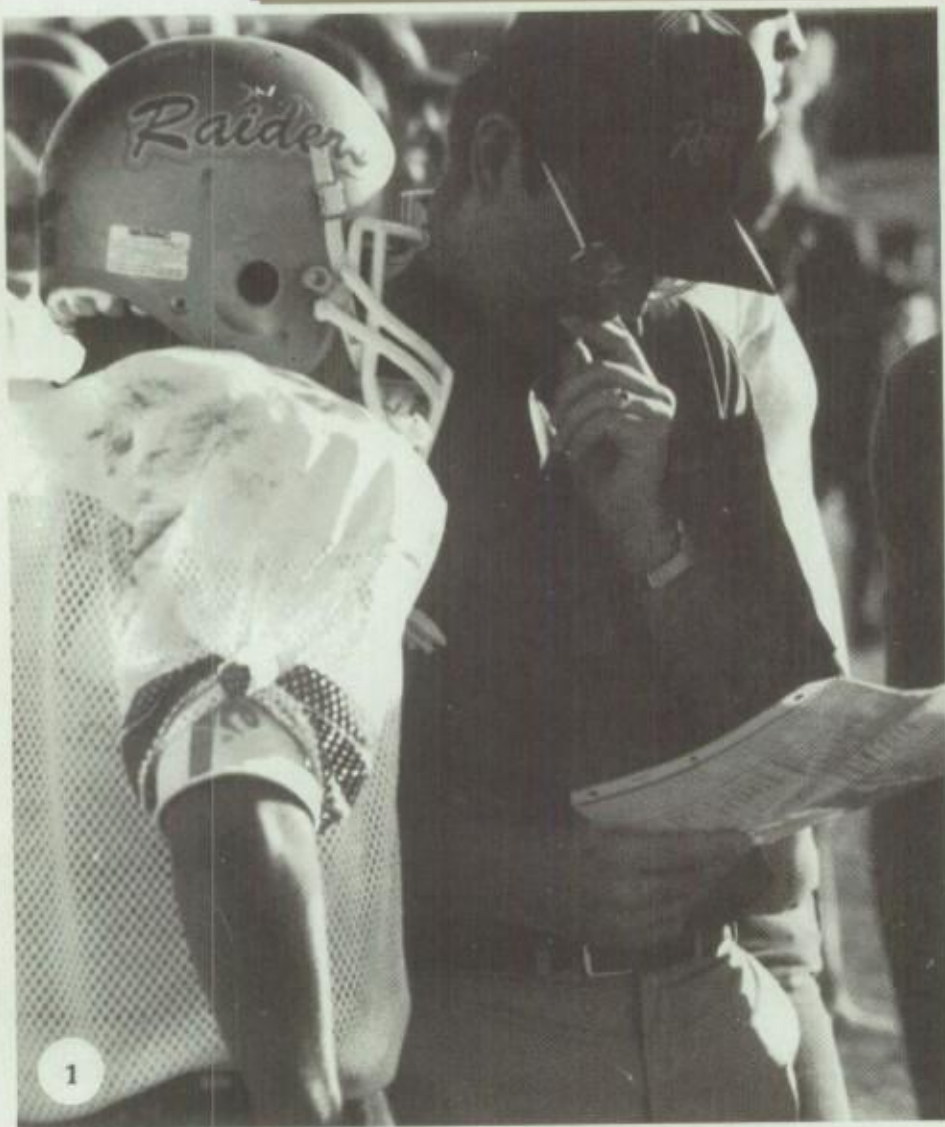

This year's club is advised by Linda Newman and Arlen Fark.

Second in State

Led by Zone and State Champion, sophomore Megan Krivanek, this year's girls' golf team finished second in league with a 7-2 record. Megan shot an 88 at Wildcreek to capture the Zone title and improved her score by ten strokes in State bringing it down to a 78 which was good enough to take the individual State Championship.

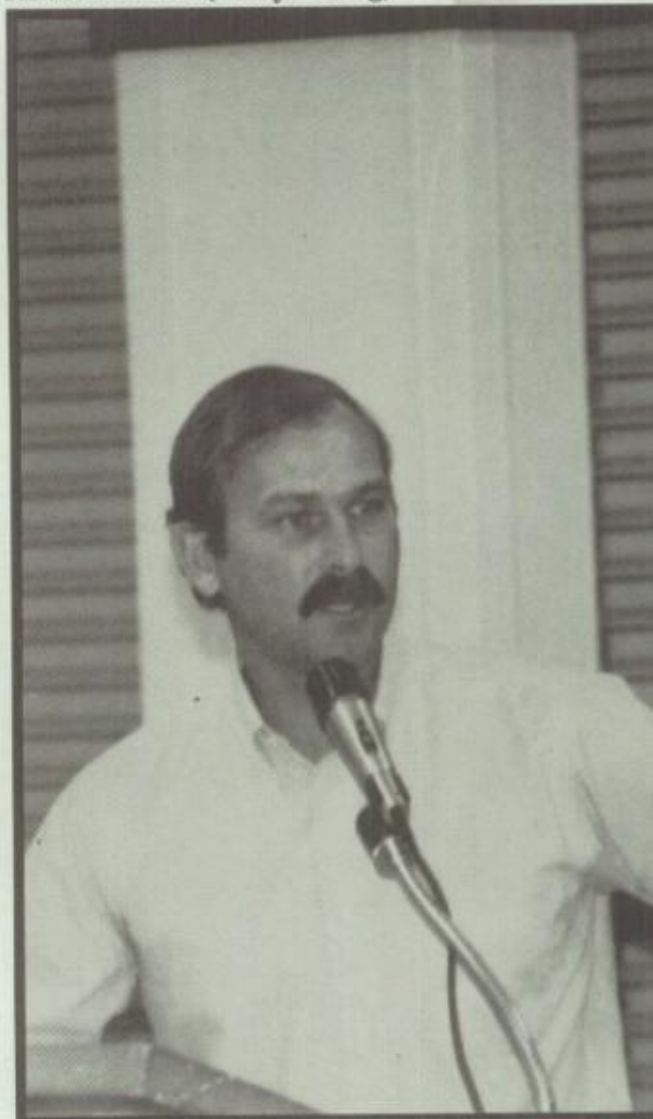

As a team, the girls finished second in Zone with a score of 552. In State the Raiders posted a 504 which gave them a second place finish behind Reno High's champions.

Zone Finalists

This year's Varsity Team was the second best team Reed High has had with a total of 8 wins and 3 losses. Two of the defeats were to Wooster. But, the Raiders only lost by a combined total of eleven points in the two games while Wooster all year long defeated opponents by 20-30 points. "We've never had a group of seniors like this year. They gave their all everyday. If next year's seniors give the program half as much, we again will be successful." (Coach Ervin, Reed Football Coach) There were many highlights this year. One of them was when Joe Genasci ran for over 1000 yards in a season. Another was the Raiders making it to the Zone Finals.

Maturing J.V.

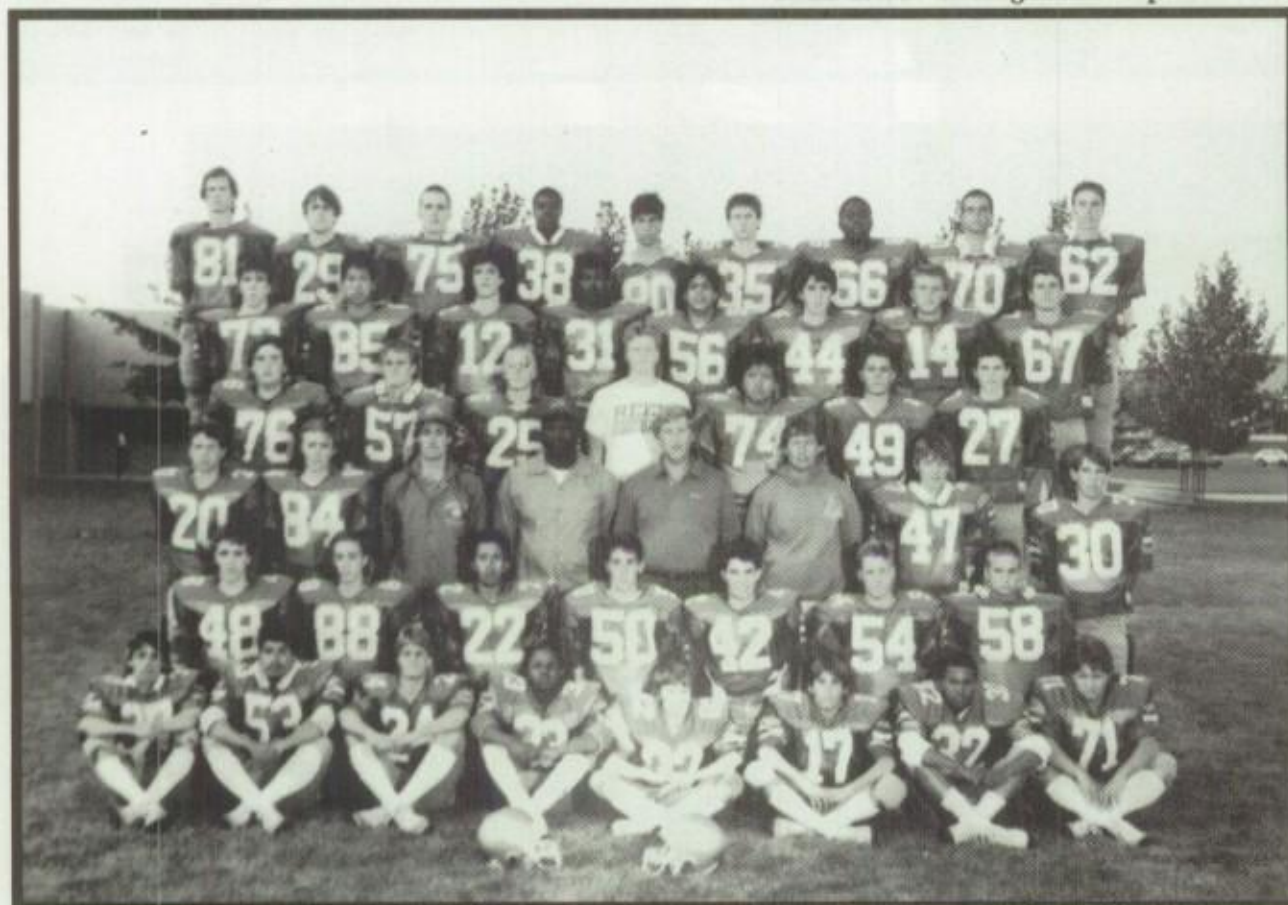

With a 5 and 2 record, the Junior Varsity team finished in a three way tie for first place in league, their only losses being close fought games against Wooster 28-20 and Reno 7-6. The offense was sparked by tailback Derek Bennett and fullback Charles Porter. On defense, linebacker Dennis Titensor and safety Kurt Condie kept opposing offenses confused.

"They are a very good football team. I think they expected too much out of themselves. But, when they are joined with the Varsity players next year I think they will be very successful," commented coach John Phenix.

Dominate League

This year's Freshman team was a very good team. The team had a combined record of 6-1-1 with impressive victories over South Tahoe and Reno. The only loss that they had was to Wooster in a close, 14-13 hard fought game. The team placed second in league thanks to strong offensive and defensive players like John Ruiz, J. J. Bell, Randy Dinubilio and Shawn Williams. Look for the Freshmen to do better on J.V. level next year.

Second in State

The boys' terrific tennis team finished their regular season with a 9-2 record and a second place in zone. The team was anchored by Hyo Chan Lee and Dene Egami. Eric Fong, a junior, feels that "the team will have its troubles next year but they will do their best to come on top again."

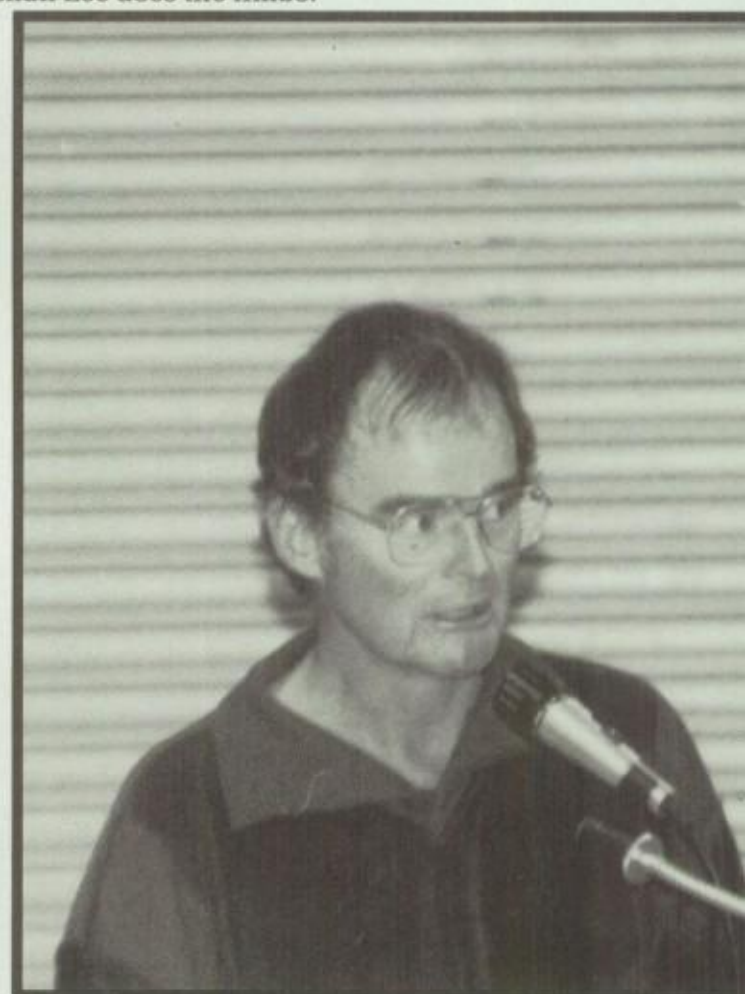

Reno and Carson were their only two losses. Carson was a close game but there was something missing that day.

A talented tennis team is what has lead the girls to a 7-3-1 record and a second place finish in the north. The top team player was Laura Molini. "She showed good leadership and was a strong player," commented Kerry Foss.

"We had a thrilling season. We learned the concept of teamwork in an individual sport, with the close matches we won by just a few points. The excitement of our victories was only surpassed by the fun we had together," concluded coach Lori Thomas.

VOLLEYBALL

Team Rebuilds

The varsity volleyball team was in the rebuilding stages this year. The young team, which consisted of only four seniors, had seven juniors and two underclassmen. They were anchored by the twin towers, seniors captain Janice Cox and Jennifer Riedel. They were complimented by a strong hitting Laura Williams and an excellent defender, Susan Corbett.

Despite their disappointing season, the Raiders advanced to Zone. Reed defeated Reno 2-1 in their first game and had a strong performance against zone runner-up, Douglas.

J.V. Volleyball Has Promising Season!

Despite the lack of experience, made up of mostly freshmen with only three returning players, the junior varsity volleyball team did extremely well with a 13-4 season.

A new addition to the team was Coach Denise Coverly, a University of Nevada-Reno student volleyball player. She proved to be a tough, capable coach.

Led by captain Kerry Haggard, the Lady Raiders showed great strength and determination throughout the season. Hours of hard practice and sweat paid off with their winning season.

SOCCER

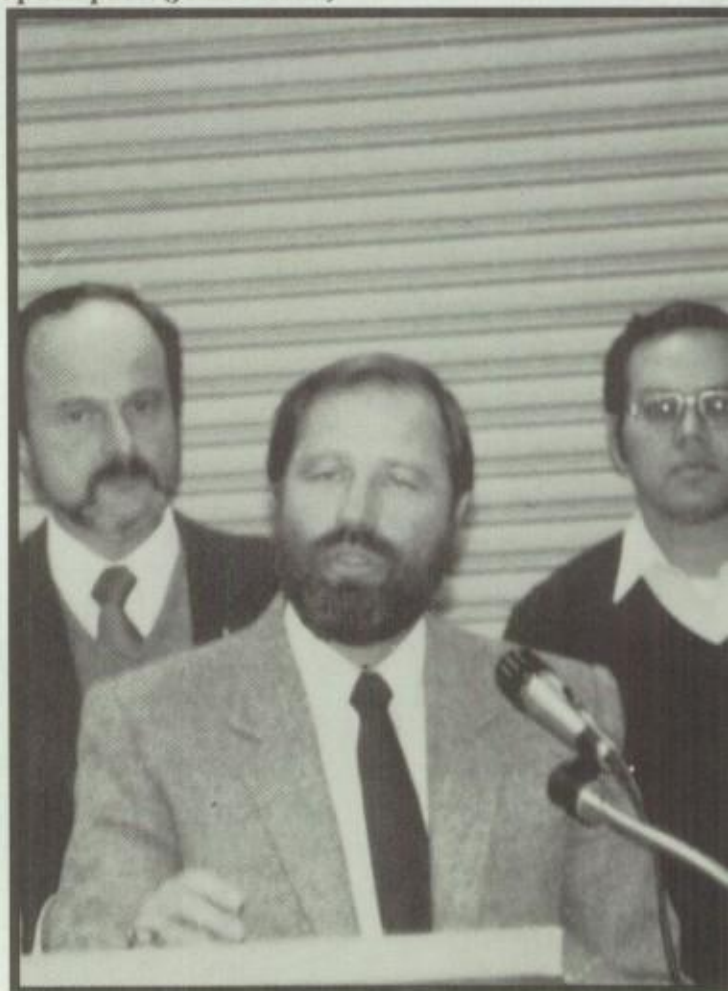

Contenders for Next Year

The J.V. soccer team dominated their league with an undefeated record of 9-0 and 2. The team was lead by offensive players Jessie Haw and Jay Alter. On defense, Steve Jacobsen led the pack.

"Next year I hope we can keep the winning ways up. We might even be able to take the championship away from Reno," said Steve Jacobsen. Coach Roger Jacobsen also stated that when the J.V. joins with the varsity, they will be very successful.

Best Season Ever

Varsity soccer had a sensational season, finishing with an awesome record of 17-4-2. Led by the league leading scorer, freshman Damon Dixon, and senior stand-out Jim Verdi, the Raiders went to the zone finals. On their way to the finals, they made glue of the Senators. Goalie Jeff Shuk shut out the senators in a double overtime shootout to give the Raiders a 4-1 victory. In the finals, Reed made a strong showing against Reno but lost 5-1. When asked how he thinks the team will do next year, Jeff Shuk replied, "Even though 12 of the 16 players on the team are graduating, I feel we will be in contention for the zone title next year because of a very strong JV squad."

Even though the boys' team did not advance to the State meet, Frank Towle qualified to go to Las Vegas. To the surprise of coach Carl Meibergun and teammates, Frank finished thirteenth overall.

BASKETBALL

Boys Go to State

The boys' Varsity Basketball team had an above average season, with an overall record of 14 and 7. By placing in the top four in Zone, the boys went to the State competition for the 12th year straight. The team leader, and one of the league's high scorers, Ken Welsh, helped push the team to State, with help from seniors Dene Egami, Mike Flores, and Mark Fluker. Next year's team, with six returners, should carry on the tradition of going to State.

J.V. Near the Top

Hard practices and working together as a team is what has led the J.V. Basketball team to a 14 and 6 record and a third place finish in league play.

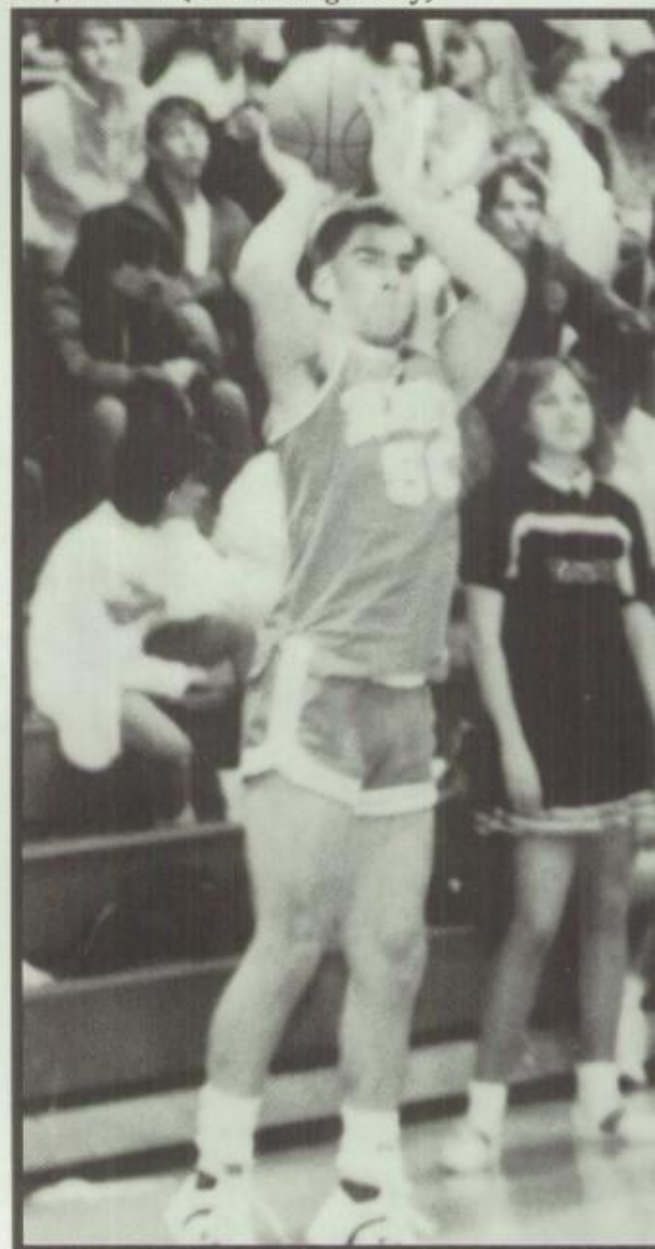

With Charles Porter at point guard, working it in to power forwards like Earl Montgomery and Dan Danner, the J.V. team has averaged over 50 points a game. "We work good together as a team and I think we will be even better next year when we move up to the varsity level," said Earl Montgomery.

Freshman Dominate League

The ball sure has been sinking on the right side for the Reed High Freshmen Basketball team. With the uniformity of the team, the desire to win, and the dedication to make Reed High School the number 1 team of Northern Nevada, they will make one of the strongest J.V. teams next year. The skill level of the players are so much higher than what we have seen in past years. We give this credit to John Coats, Ryan Milliken, Damon Dixon, and the rest of the freshmen team.

GIRLS' BASKETBALL

The Girls Do It Again!

Hard work, determination, and a lot of early morning practices have paid off for the Girls' Varsity Basketball team.

Led by All-State forward Lisa Cinfio, and seniors Laura Williams, Caroline Salgado, and Cathy Dolan, they wound up with a 12 and 4 record, and they took third place in Zone and third in State.

With seven juniors, two sophomores, and the upcoming J.V.'s, the varsity team should be very strong next year.

J.V. Girls Go Undefeated

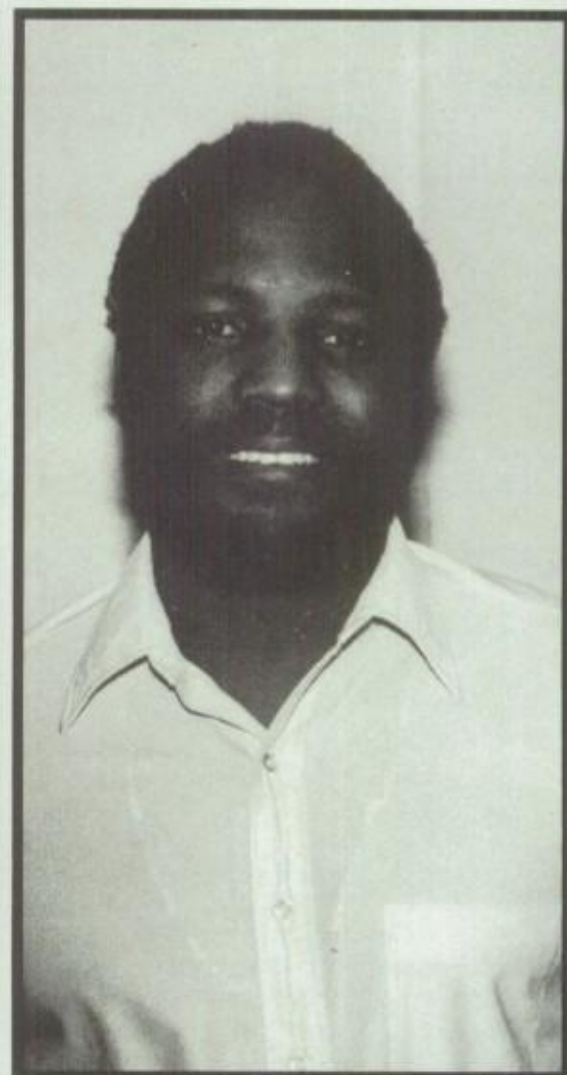

Off to a great bounce, the Girl's J.V. Basketball team had a clean sweep of Northern Nevada's AAA competition. Led by Kelli Hanson and Lindsey Williams, the team has had a successful year. With hard work and a lot of dedication, the J.V. Lady Raiders have had only Reno to worry about. With Ed Shepard as the J.V. coach, the varsity team has some promising recruits for next year's four vacant spots. Way to go Lady Raiders!

Small but Strong

Devotion and determination were qualities the wrestling team members displayed. Due to the lack of participants, it was hard for the team to win meets, but they had some strong performances. Seniors, Bill Stuersel, Chris Empey, Chen Young, Jake Knight, and Michael Pickering led the team and were very impressive in Zone and State.

"We are experienced and give our all. Those are two major reasons why we have successful wrestlers," said Chris Empey.

Four wrestling team members qualified to go to the State Wrestling Championships. Those who did qualify are Zone Champion-Chen Young, 2nd place, Bill Stuersel, 3rd place, Chris Empey, and 4th place, Jake Knight. All four deserve recognition for winning the Zone Championship in the 134 lbs. division.

SKI TEAM

Takes Second in League

Even though a lack of snow forced a late start, the boys' ski team had one of their best seasons ever. With the only regular season loss coming to Reno, they finished with a 7 and 1 record. Swedish foreign exchange student, Andreas Thelander, placed first in every match except the McQueen/Wooster match which freshman Adam Pearl won. Andreas was the league's number one ranked skier, and Adam was the number six, going into Northern Zone competition. The team finished second behind eight time champions, Reno High School.

With a strong showing all year by senior Holly Putnam and freshmen Holly Fettig, the girls' ski team went 8-3. Holly Putnam was the only girl from Reed to be in the top ten going into the Zone Tournament. The girls finished in second place in Zone.

"I think we did pretty good, considering the lack of time we had to practice for the season," said Laurel Capurro when asked how she thought the team did in regular season racing.

BASEBALL

ANOTHER STRONG SEASON

With eleven returns from last year's league co-champions, the Reed Raiders varsity baseball team looks forward to another great season. After a pre-season tournament 3-1 start, with wins over McQueen, Wooster, and Hug, their greatest challenge seems to come from Reno High who handed them the only loss.

Starting off with a boom, last year's MVP of the league, Scott Rawlins, had three home runs in the tournament, two of them coming in the game lost to Reno. The team looked to sophomore Nick Kuster for great success during the year after his two home runs in the tournament.

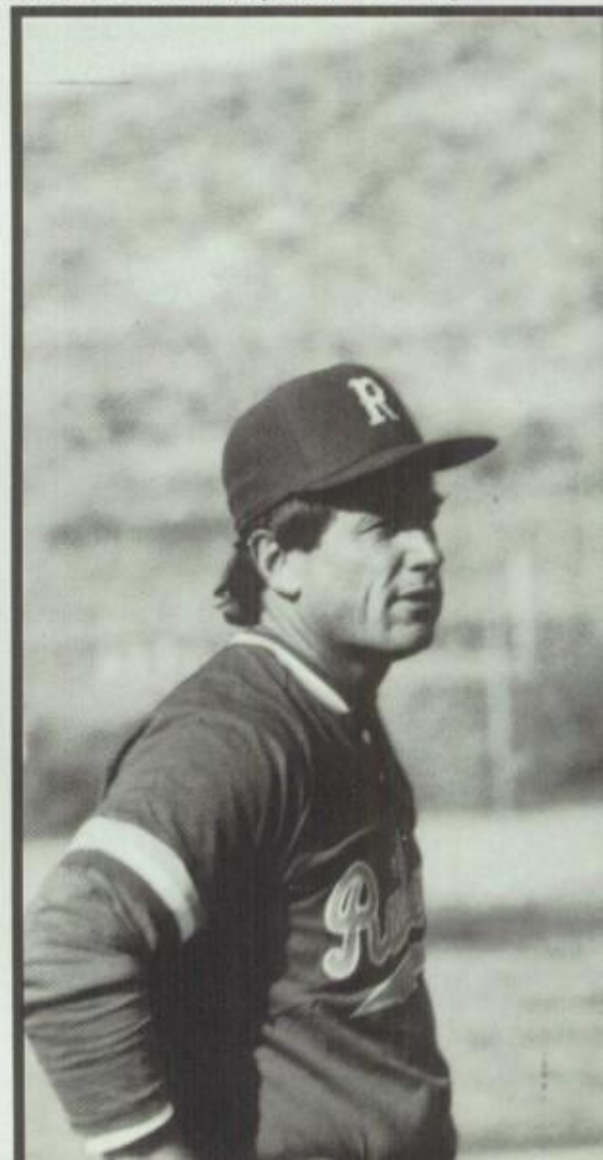

All-league pitcher, Tom Smith, was also back this year helping the team toward championship standing. Also adding to the team were returner Billy Wight and new-comer Rocky Lepori in the outfield. "We'll go a long way," commented coach John Phenix in the early season.

Young and Inexperienced

Jerry Potts and Damon George were the only two returners from last year's JV baseball team. Jerry played catcher that year with Damon in the outfield and as pitcher. The rest of the team were all first year players including coach Rick Scurry.

The team consisted of ten freshmen and nine sophomores of which seven were inexperienced. The freshmen on the team were Gerald Bell, Ralph Cinfio, John Coats, Ernest Garcia, Aaron Leary, Brandon Lorton, Michael Mahoney, Jason Peak, Adam Pearl, and John Turri. The sophomores were Steven Bryant, Daniel Danner, Brian Houston, Richard Jackson, Paul Manley, Clinton Robertson, and Eric Stroshine.

"Even though we had a young team, and for the most part inexperienced, we were very competitive with the other teams in the league," said Coach Scurry.

SOFTBALL

Senior Leads Team

Senior, Cathy Dolan, and junior, Stephanie Chapman were two of the stronger players returning from last year's team. Cathy, last year, was selected to the first team All-Conference as an outfielder. She also had an excellent batting average that year of .309. Stephanie played shortstop for most of last year and had a batting average of .238.

Other returners from last year's team were juniors Becky Baldwin, catcher and outfielder; Kelly Welch, catcher; Kristin Maldonado, outfielder; and Stephanie Cohen, outfielder. "The returners contributed a lot this year. We had a great burden to perform well because we were expected to play better," said Kristin Maldonado. The team also received valuable support from new recruits.

JV Does It All

With the help of the four returning starters this year, the JV softball team had hopes to go on undefeated. These returners were Amy Plattner who, as a freshman, was the number two pitcher in the league; Kelli Hansen, an outstanding shortstop; Lindsey Williams, the team's leading hitter; and Tracy Kumle behind the plate.

Kelli Hansen said, early in the season, "The team can do very well this year. They are a very strong team with the help of the four returners who are anchors of the superb team." Lindsey Williams added, "With a little support and incentive, we can get the newcomers to be just as good, or even better, than the returners."

TRACK

NUMBER ONE AGAIN

Girls' track has come a long way since Dave Nolte became head coach. Being Zone Champions three years in a row and placing second in State last year, the girls have proven to be a track power in Nevada.

The year proved to be a good one for the Reed girls with returning Zone Champion juniors Shelley Bessey, Beth Pearson, Julie Gann, Diona Lynch, and Tanya Keislich. An outstanding sophomore, Linda Walsh, is returning to compete in the mile, 800, 400, and mile relay. She was part of the State Champion mile relay team of '86 along with teammates Tanya Keislich, Alisha Lynch, and Diona Lynch. A big early season win came to the mile relay team this year when they won the event at the Stanford Invitational in March. In that race, Tammy Papka ran in place of Tanya Keislich.

The field events also played a big part in the scoring this year. Senior Lena Miller, school record holder in the shotput with a throw of 36'7", also tried her hand at long jumping. Returning throwers Lisa Zonneveld, Tamara Trowell, and Julie Hennings also had strong seasons. Jumps also looked stronger this year with returning jumpers Beth Pearson, Julie Gann, Winnie Tam, Tina Lemus, and Kristy Young.

Individuals Achieve Titles

Sprinting, jumping, and throwing. That is the scenario for the boys' track team this year. With the return of sophomore, Earl Montgomery, and seniors, Ed Coleman and Bill Stuersel, the team proved themselves as a powerhouse in the conference.

Earl Montgomery performed in the sprints, long jump and triple jump. Last year Montgomery had a jump of 21 feet, placing second in the State competition for that event.

Shotput and discus throwers, Ed Coleman and Bill Stuersel, helped the team along very well this season. Last season, Stuersel placed second in Zone for the discus and placed fourth for shot. In State he placed sixth in discus and fifth in shot. This season a highlight was his first place finish in the discus at the Cougar Invitational in Sacramento. Ed Coleman, sick half of the season last year, was strong this whole season.

GOLF

Stronger Than Ever

A lot of concentration, consistent play, and continuous practicing are what has helped the boys' golf team to be a powerful force in the Northern Conference and contenders for State.

Seniors Han Ju Lee and Troy Snyder, who had strong seasons as juniors, were accompanied by seniors Roland Montoya and Clay Thurman. These four players lead the team. Sophomores Daryn Snyder and Shawn Thompson have contributed greatly to the team and are expected to be team leaders in the future.

The highly experienced team which had eight seniors, six of them returners, will not be low on talent and experience in the future. They will have three returning juniors, one who has played for three years, and also a returning sophomore.

SWIMMING

UNDERWATER DEDICATION

Reed's swimmers are some of the most dedicated athletes in Washoe County. They not only come to practice ready to put in quality work without complaints, but realize the swimming is a team sport and are willing to swim any event to help the team win. They worked hard during the season to repeat last year's second place finish in Girls' Zone, the highest finish in the history of Reed High.

There were fifteen members of the girls' team, all talented swimmers capable of turning out top performances as the pre-season and early meets showed.

The boys' team had only six members but all of them had talent and worked well together to fill all events and put in good swims.

RIFLE TEAMS

Teams Take Aim

With hard work and dedication, the Reed High rifle teams have been doing a tremendous job this year. The boys' team is led by Captain Donovan Martinez, who will return next year to lead them on to a great season. The girls are led by Captain Kristi Decker, who will be leaving the team for she is graduating this year. Both teams did a great job in the National Oak Harbor and the Secretary of the Navy's Postal matches.

Proper English Ain't Necessary?

To explore a variety of types of writing, employing both creative and critical thinking skills that's what English at Reed is really all about. Denise Gallues is replacing Nikki Elliott as department head for one year while she completes her Master's Degree. The English Department is one of the favorite departments with the students, and has one of the highest enrollments of students. They offer a variety of English courses from required Freshmen English, to college bound oriented Senior English. Also, for creative minds they offer Shakespeare, Psychology and Literature, and the very popular Creative Writing. For many people who have problems with English, they offer helpful classes such as Language and Grammer and Reading Lab. Specialized classes such as Literary Magazine, Newspaper, and Debate offer students hands-on practice with lifetime applications with the broad curriculum available, it's no wonder that the English Department has such a following of interested students.

Hello! Hola! Guten Tag! Bon Jour!

A goal of a comprehensive Foreign Language Department is student competency in listening, understanding, speaking, reading, writing, and a sensitivity to deal with cultural matters. These plus more are the goals of the Reed High Foreign Language Department. The classes stress that even though other cultures do things that seem strange and confusing, they are made up of people, too! Students receive first hand experience by preparing and eating some of the foods of the foreign people and by singing traditional songs especially from Christmas and New Year.

The department chairman, Sharalee Springmeyer, teaches one of the most popular languages, French. Trips are and have been available for student exchange in Spain, Germany, and France. Last summer, thirteen students accompanied German teacher Noel Parkhurst to Germany for a month's stay with host families. On an every other year exchange, this spring a group of German students visited the Reno-Sparks area for a month. French, Spanish, and German clubs are also available for students who want to expand their horizons.

Flash Through the Past

To awaken a desire within each student to become an active member of the local, state, and political process is what the Reed High Social Studies department is about. It's not only learning of the past but how to relate it to the present and the future. The Social Studies department is headed by Fred Horlacher who has been the department chairman since Reed has opened and also teaches one of the most popular classes, U.S. History Highlights.

With three years of Social Studies required for graduation, freshmen and sophomores enjoy World History, juniors delve into U.S. History, and seniors try to understand the complexities of government. This year students had the opportunity to hear President Ronald Reagan, Vice-president George Bush, and many state politicians at various functions in the area.

Brainy Teachers are all Heart

To develop an awareness and an application of the principles of living things and to acquaint students with the method of performing simple dissections and chemical concepts, is what the science department is all about.

Bill Mc Kenna has been teaching Biology at Reed since 1974 and has been the head of the Science Department for just as long. The variety of classes offered makes it possible to get an education in almost any area in which you want to become active. There are also many levels of classes from the very basic General Science to the required Biology to the more challenging physics and the ever trying Anatomy and Physiology.

The teachers you find in this department are all brainy, smart, and of course, all heart.

Reed Really Is a Community

Being an administrator of a school the size of Reed is like being the mayor and city council of a small town in Nevada. With Dudley Cate as mayor, Jim Chamberlain as Public Administrator, Hans Scheurer as Assessor, Serena Robb as Justice of the Peace, and Jim Bennett as Police Chief, the school works like a smooth running government.

With great support from the group, the teachers, staff, and students enjoy working at Reed. The friendly and spirited atmosphere extends to extracurricular activities as well. At most sport, academic, and special activities, the administrators can be found-not only chaparoning but participating willingly. Wouldn't it be nice if all governments took the interest and supported their people as well as Reed's administrators support Reed?

1. Heading the kazoo band, the office staff showed even more hard work and musical ability. 2. Really, I'm not the father of my country, just Reed High! (Mr. Cate) 3. Medic Cate carries off a stressed Raider. 4. But I really was enrolled-what happened? (Student, Mr. Scheurer, Mrs. Flora)

Secretaries Deserve Praise

Look on their desks and you can see the fruits of their labors. Reed's secretaries move work through their special areas with speed and accuracy. Often flowers grace their desks — gifts from appreciative co-workers and friends alike.

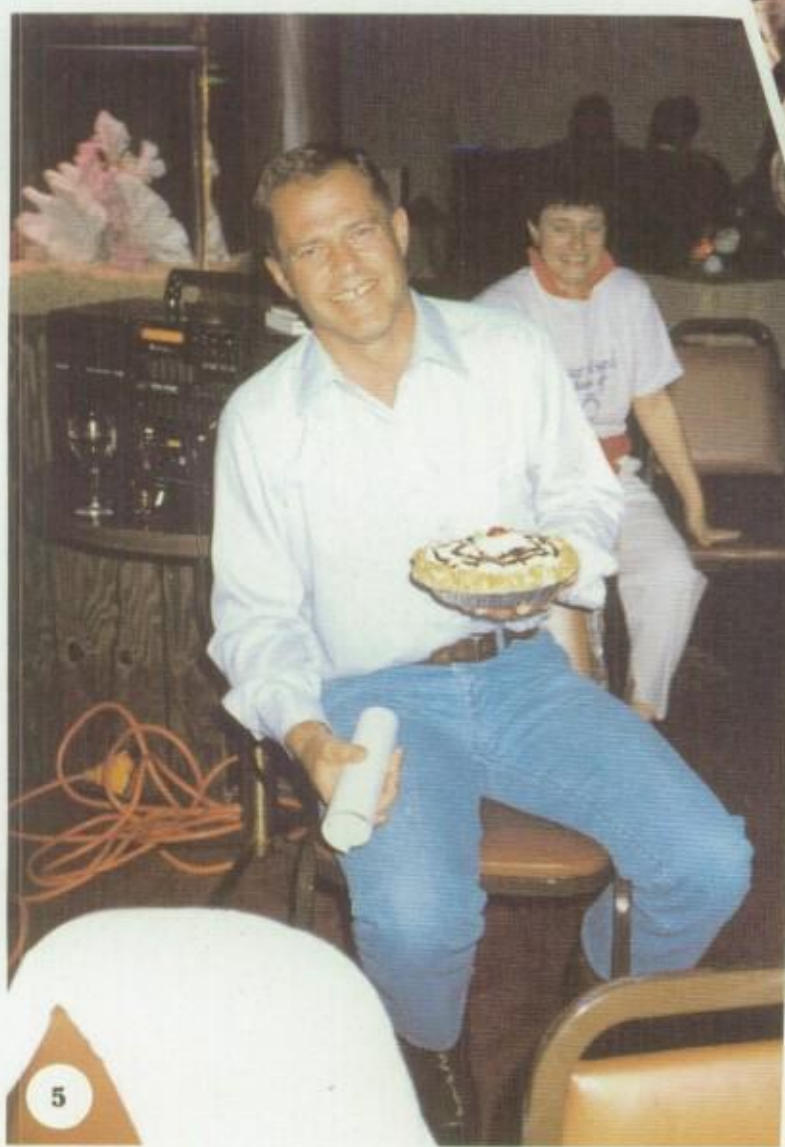

From the answering of phones to the monumental task of bookkeeping, the ladies cheerfully do their jobs. It takes much coordination to follow the many activities in a school. Marlo Chamberlain's chief responsibility, aside from being Mr. Cate's secretary, runs from doing the daily announcements to preparing and coordinating diplomas for seniors. Carolyn Reynolds is bookkeeper and, more often than not, official greeter for the many persons visiting the school. Linda Newman, Mr. Chamberlain's secretary also is registrar while Linda Flora takes care of attendance and athletics with Mr. Scheurer. Anne Parkhurst, newest member of the secretarial staff, serves as student activities secretary with Mrs. Robb. Aiding the whole bunch, Penny Jayo helps keep the front office hopping. Without their dedication and hard work, the office would never succeed.

Counselors Really Care

The Reed High counseling staff takes great pride in being a part of students' daily lives and they are always there to help. They have taken active rolls in organizing events like the College Fair and they work with students to coordinate their future and/or college careers. In addition, they see to it that students stay on the right track towards graduation and life beyond.

This year the whole department was thrilled, as was the entire Reed community, when Arlen Fark was chosen Nevada Counselor of the Year by the Nevada Counseling and Guidance Association. A twenty-one year veteran of the Washoe County School District, Mr. Fark has been a counselor at Reed for 12 years and has been active in Ski Club and the Reed High Scholarship Committee.

The entire group constantly strives for excellence as is evident by their hard work at school and in the

Home Ec And Industrial Arts Are Popular At Reed

Self discovery by a student of his own skills and enhancing aptitude of finding life interests is the goal of the Industrial Arts Department. Chairman Jack Paul has been teaching at Reed since the day it opened and has been the chairman for five years. The department offers classes in metal, wood, drafting, auto-all aspects of practical job skills in specialized areas.

To supply students with a comprehension of growing up, supplying knowledge of surviving, and learning how to take care of themselves is the goal of the Home Ec. Department. Under the leadership of department chairman, Cheryl Yee, they offer many choices of classes including culinary arts, sewing, and practical living.

This year a science credit for graduation can be earned in Nutrition-Food Science and a math credit in Auto II. This alternative to classes in the higher math/science levels provides vocationally oriented students a practical application of skills necessary to success in their chosen fields.

1. The Three Musketeers (Charles Norman, Jack Paul, Brad Hayes) 2. Drs. Jeckyl and Mrs. Hyde. (Rene Campbell, Kathy Dziurda, Cheryl Yee) 3. "I deserve only the best!" (Cheryl Yee)

Special individuals needs addressed

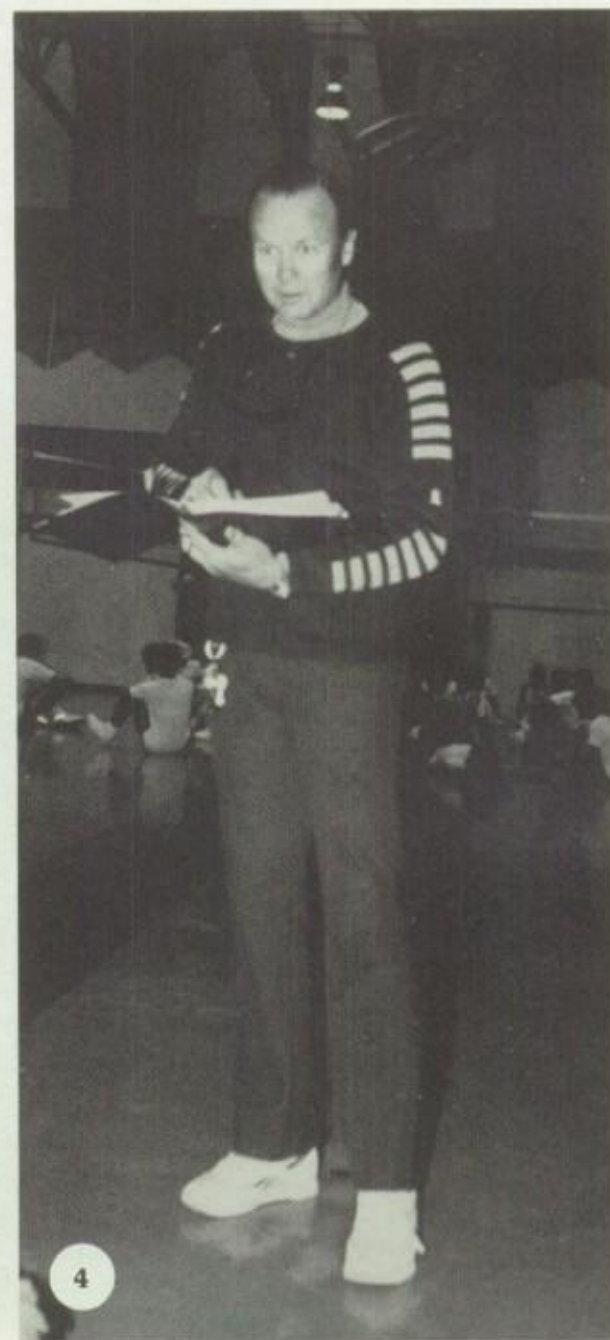

The new Genesis program at Reed High School offers a unique opportunity for students to accomplish goals they may otherwise not have been able to achieve in a regular classroom environment. Most of the students involved in the program spend one to three classroom periods under the supervision of either Laurie Grey, Sandy Culp, or Debbie Stickles. Cindy Collins counsels the students. Teachers recommend students for the optional program, and if the student accepts the offer to participate, his/her parents are notified and they sign for the student's entry.

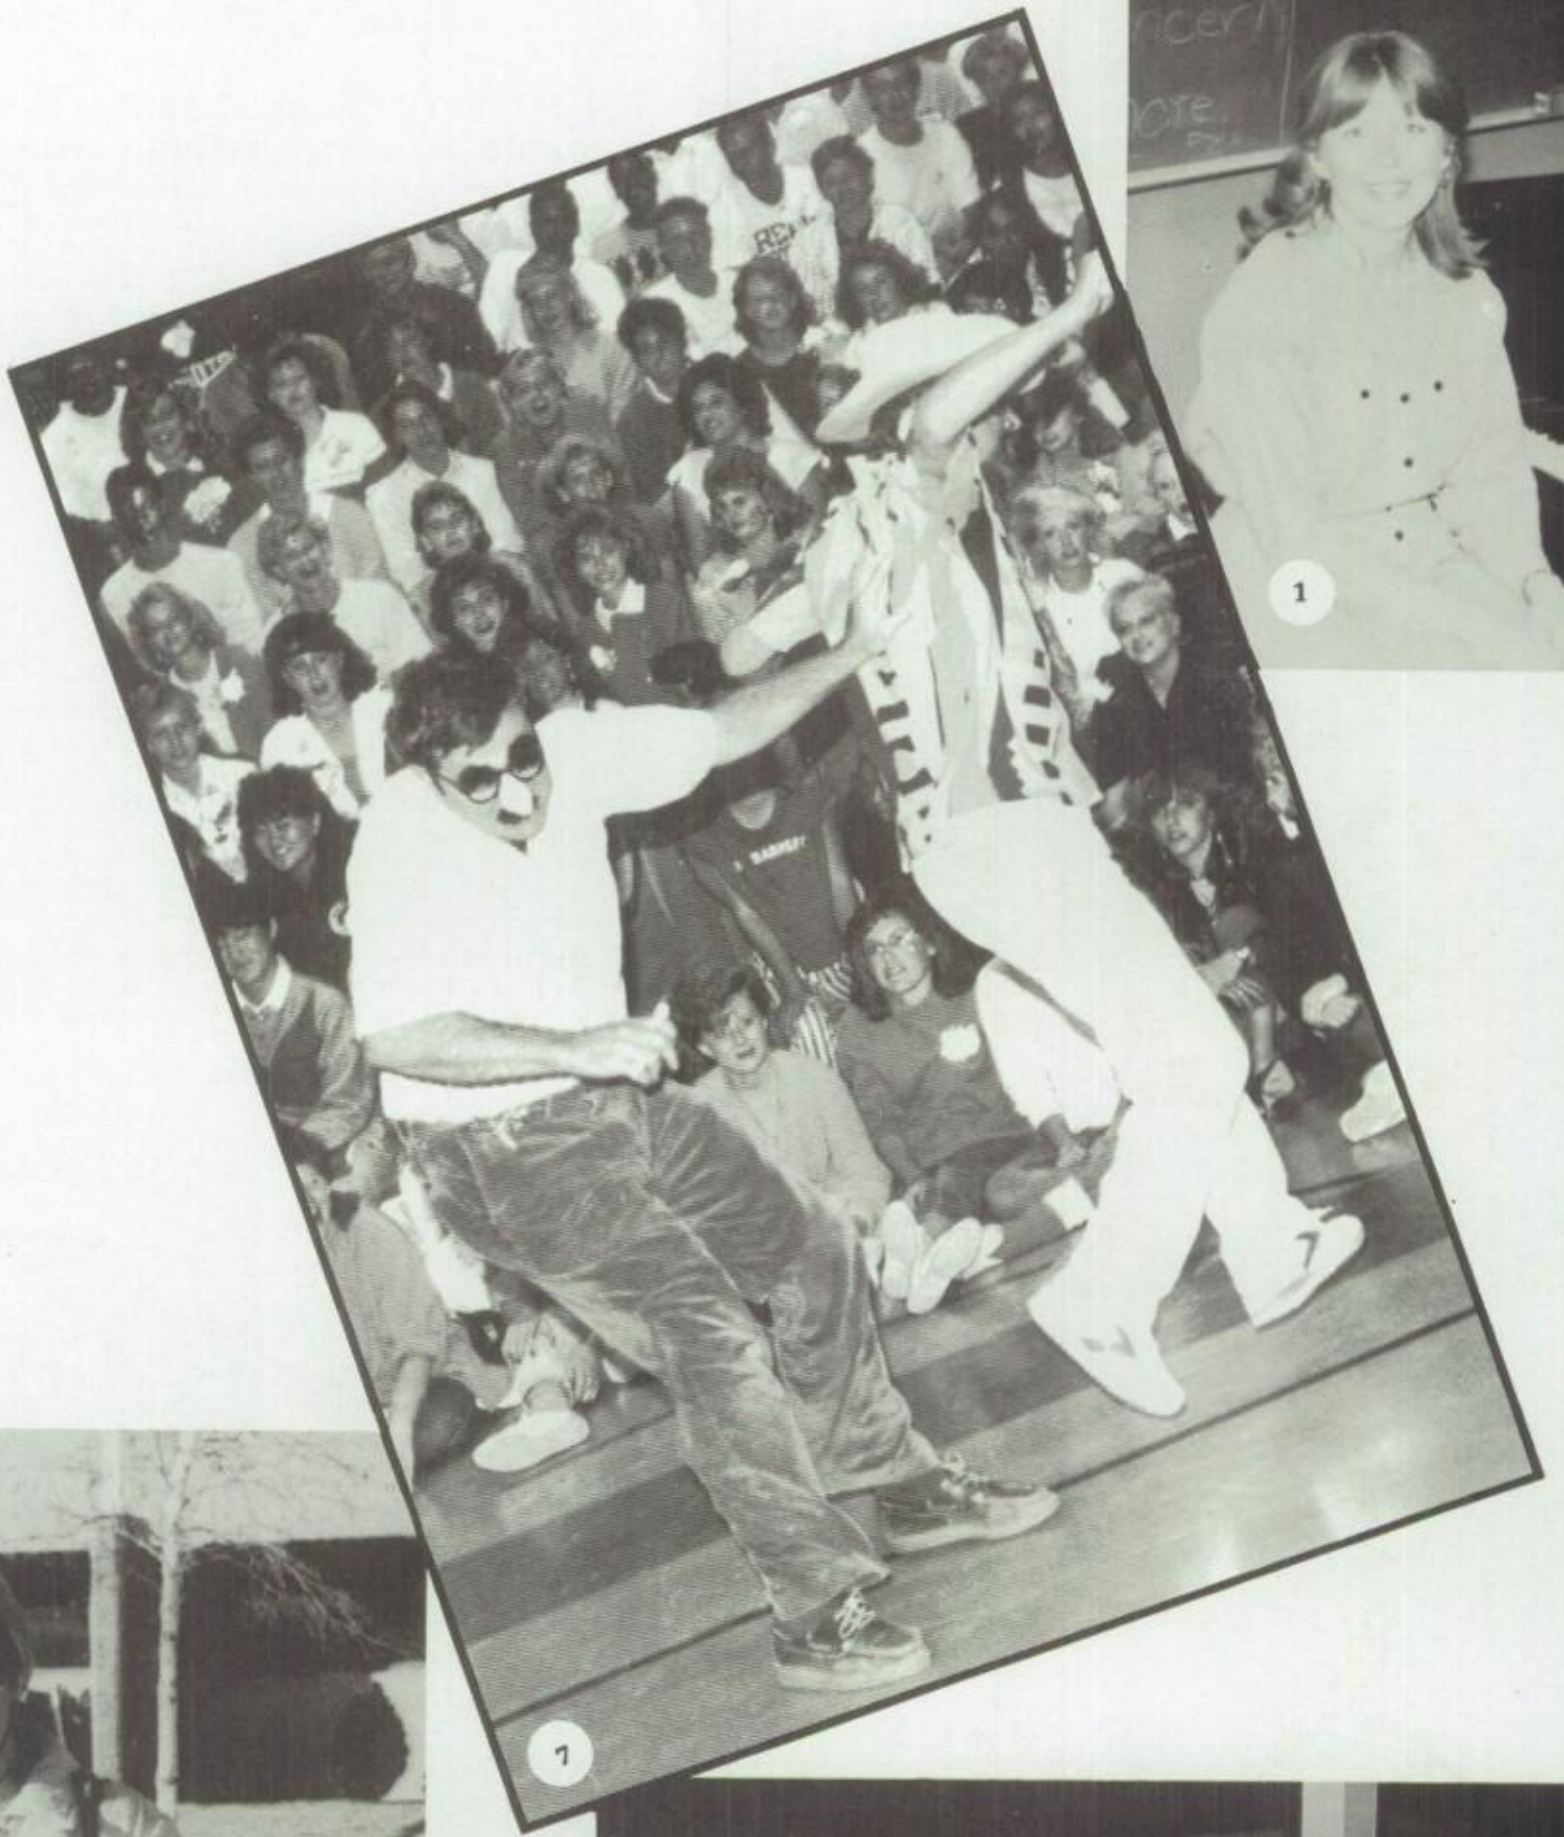

The classes usually taken in Genesis are required subjects such as English, Math, Social Studies, or Science. The student is given a certain number of contracts of work to be completed by the end of each semester. There is little homework since the student works at his/her own pace.

Reed's physical education department has made great strides in the past two years in converting the two year P.E. requirement into a one year requirement for freshmen. The coaches spend less time getting the skill of a sport or game down and instead make sure the students have fun learning a new sport.

School year 1986-87 was a very active one for the NJROTC unit. The drill teams, rifle teams, Color Guard and Drum Corps all did very well. They also planned field trips to Seattle during spring vacation, to go to Fort Ord in May, and San Diego in June.

(Bob Danz, Gordon Jobe) 4. Aren't I sweet and innocent? (Rusty Crook) 5. An example to his muscle-bound team. (Lonnie Tolano) 6. PE staff lifts for shape. (Laurie Grey, Paul Kautz, Max Culp) 7. Work those bodies! (Debbie Stickles, Janice Burke, John Phenix, Rusty Crook) 8. Genesis, a new beginning. (Laurie Grey, Cindy Collins, Sandy Culp, Debbie Stickles)

Students Have Creative Future

The fine arts department is designed to instill in students the appreciation of the arts and to help a student discover himself through growth and use of his own creative abilities. Under the department chairman Felton Hickman, who is the teacher of our number one band, the department has grown and become more popular to the students. As you walk by or through this department you will see more than just the students in the classes; you will see students looking at the wonderful works of art and listening to the magical musical sounds of the band and the choir. You have a variety of classes to choose from such as drawing, ceramics, and painting.

In charge of the library staff is Pat Griffin. This group of wacky people will help you find anything you need in the library from apples to zebras.

All this exists in one school plus more to help you form a creative future for yourselves.

Dedication Keeps Us Going

Reed has a staff of supportive personnel that is out of this world! These dedicated adults add to the quality of our school, and enhance our educational system. Together, with hard effort and teamwork, they help our school run more smoothly. For example, our security guards maintain peace and order in our halls. Our custodians attempt to keep our halls clean so that our school can look its best all of the time. Our various department aides are always accurate in bestowing the important messages waiting for us and keep up the departments' business papers. We have library aides that help us in properly finding a needed book and checking it out legally. The cooks, probably the most maligned people on the staff, provide those who eat at school a good, balanced meal. All in all, our entire supportive personnel group is one of the best around.

Dad, Mom, and
Janelle

Dear Brandie,
We're so proud of you and we wish you all the happiness you brought us and more.

Love,
Mom & Dad

Dear Laura,
Friends as loyal as you are hard to find. We know you will always be there for us whether good or bad. Thank you for caring so much about us.
Good Luck!

Love always,
Katie, Jennifer, Kelly, Teri, and Wendy

Jennifer,
We've finally made it. Congratulations! We'll never forget all the fun and crazy times we've shared. High school wouldn't have been the same without your wonderful sense of humor and cherished friendship. You're the greatest. We wish you success and happiness in what ever path you choose in life.

All our love and friendship,
Wendy, Teri, Katie, Kelly, and Laura

To: Our Sweet Janine,
We love you and hope you have the best future ever.

Love,
Mom & Dad

To Kelly,
Our best wishes to a very special daughter and sister who has given us joy and pride and a lot of laughter. We now wish for you a life of happiness, success, and love.

All our love,
Mom, Dad, and Jes

Dear Wendy,
We've been through a lot this year; shared a lot, talked a lot, laughed a lot, ... cried a lot. It doesn't matter how far apart we are, you'll always be in our hearts.

Good luck, we're always here for you!

Love always,
Katie, Jennifer, Kelly, Laura, and Teri

Dear Katie,

That smile has helped all of us through the toughest days when we couldn't manage one of our own. You made us laugh, sometimes by accident. Thank you for being you. We wish you the best of luck.

Love always,
Jennifer, Kelly,
Laura, Teri, and
Wendy

Michelle,

You have been a pleasure to raise. Always smiling, rarely pouting. You were so good, I've heard nothing but praise.

Always cheering me up when I was down. You even got along with your brother too! You'll always be my little girl and I'll always love you!

Love,
Mom

Stephanie,

We're so glad that you are a part of our family. We have loved watching you grow into a beautiful young woman. We wish you success and happiness in all your choices.

We love you,
Mom & Dad

Dawn,

In 17 years, you have grown and matured from an adorable little tomboy into a beautiful young lady. Keep your faith and trust in the Lord. He will guide and help you find your future. We are very proud of you and will always be here for you.

We love you,
Mom, Dad, and
Tiffany

Veronica,

This was your first picture taken and you were so beautiful and loving. I had to lend you my hand to steady you.

Now you are steady on your own and able to make your own decisions, but I can still lend you a hand.

Love,
Mom

Michelle,

Thank you for being such a great friend, without you this year would have been awful, but not only did we make it, we made it together.

Friends for life,
Holly Jenkins

Bradley J.,

May all of your dreams come true with every step you take through life.

We love you,
Dad, Mom, and Scott

To Dave,

As your parents, we do not attribute your success to anything we did. Your success will always depend on your ability to finish what you start.

Mom & Dad

P.S. Dave is in the middle of the picture.

"Teaks,"

Even then you were glamorous! How you've grown — from a little dark-haired beauty to a lovely young woman. We did the best we could; we know it was tough sometimes, but you've made it worthwhile. The Lord has truly blessed us.

We love you,
Dad & Mom

To: Tracer,

We've grown up so fast, and now we're going into the real world. May all your wildest dreams come true, you deserve it all!

Love and hugs,
Wen

Dear Kelly,

We have had so many good times, the memories will last a life time. We hope the future will bring you all that you want. Keep your head held high and remember who you are.

Love always,
Katie, Jennifer,
Laura, Teri &
Wendy

Susie,

Congratulations! You've come from "baby" sister to a lovely young woman whose smile warms those around you. We're proud of you and behind you all the way as you begin another stage of life.

Love,
Mom, Lori and
Kathy

Teri,

What a loving little doll came into our lives. Turned around and what a warm, wonderful young lady you became. You are special.

We know that you will be all that you want to be. May health, love and happiness bless you always.

Love, hugs & kisses,
Mom, Dad and Steve

Wendy,

We thank you for making our lives rich and worth living. Your Mother and I hope we have given you of ourselves to make your life full.

Love,
Dad & Mom

P.S. Don't worry, your cauliflower ear will go away someday.

Wen,

We've come a long way since our days at the zoo — huh? Always remember I love ya. And wherever you go, there you are!

Love,
Your Cuz,
Tracer

Renee,

You have set such high goals for yourself and you have accomplished them! We are very proud of you and know you will succeed in whatever you set your goal to do! We love you!

Love,
Mom and Dad

Dear Teri,

You've always been there for us, to listen and understand and to drive us home! You've been there in our hard times to bring logic into a situation. We hope only the best for you.

Good luck in whatever you do!

Love,
Kelly, Jennifer,
Lauri, Wendy &
Katie

To Our Pooh Bear (Wendy),

Your life and accomplishments are the essence of our love and pride in the beautiful person you are.

Together In Christ
We love you,
Mom, Dad, Kelly,

Debbie,

May your enthusiasm for life be as great in the future as it has been in the past. We are very proud of you. Don't change.

Love,
Mom, Dad, Rob &
Little Robbie

Luv,

Dear Katie, Kelly, Jennifer, Laura, and Wendy,

You all have made my senior year very special. As we go our separate ways and make new friends, I wish you each all the luck in the world. I will miss you more than anything. Good luck.

Your friend forever,
Teri Ronnow

Mom, Dad, Malcom and Jan,

I finally made it. The years of you guys telling me to do homework and kicking me in the butt has paid off. I owe you all so much, we've been through the hard times and mostly the good times, and I couldn't be prouder to have you all as parents.

I love you all,
Barry

Dear Barry,

Doesn't it seem just as we're beginning to learn the ropes of Reed High, it's time to graduate and say goodbye. But I know we've both worked really hard these past two years to help students remember high school, by merely flipping through the pages of their yearbook. Although the class of '87 may not share the unity of the past, I believe there will always be a bit of spirit in all of us, for I know Reed High has been one of the major stops on my way towards the future. I hope those who follow in our footsteps can have as much fun! You are a special friend and I'll miss you!

Now for Tach:

Well, Barry was always the talker and I was the pushy, "lets get it done" one. But I think we put together a book that speaks for itself. I can't say I spent many a sleepless night over the book. I guess we kind of left that to you! But I hope we both lived up to your expectations because you're the best! I'll miss you, you've been a special friend.

Sincerely, Valerie Welsh
Galleon Co-Editor

As I sit here thinking of how I can sum up all these great and memorable times we have shared over the four years, I find it impossible to express the feelings of cheering together at football games, laughing at assemblies, yelling and goofing around in the halls, skipping classes and making those doughnut runs. We have had wonderful times and we will carry these memories forever.

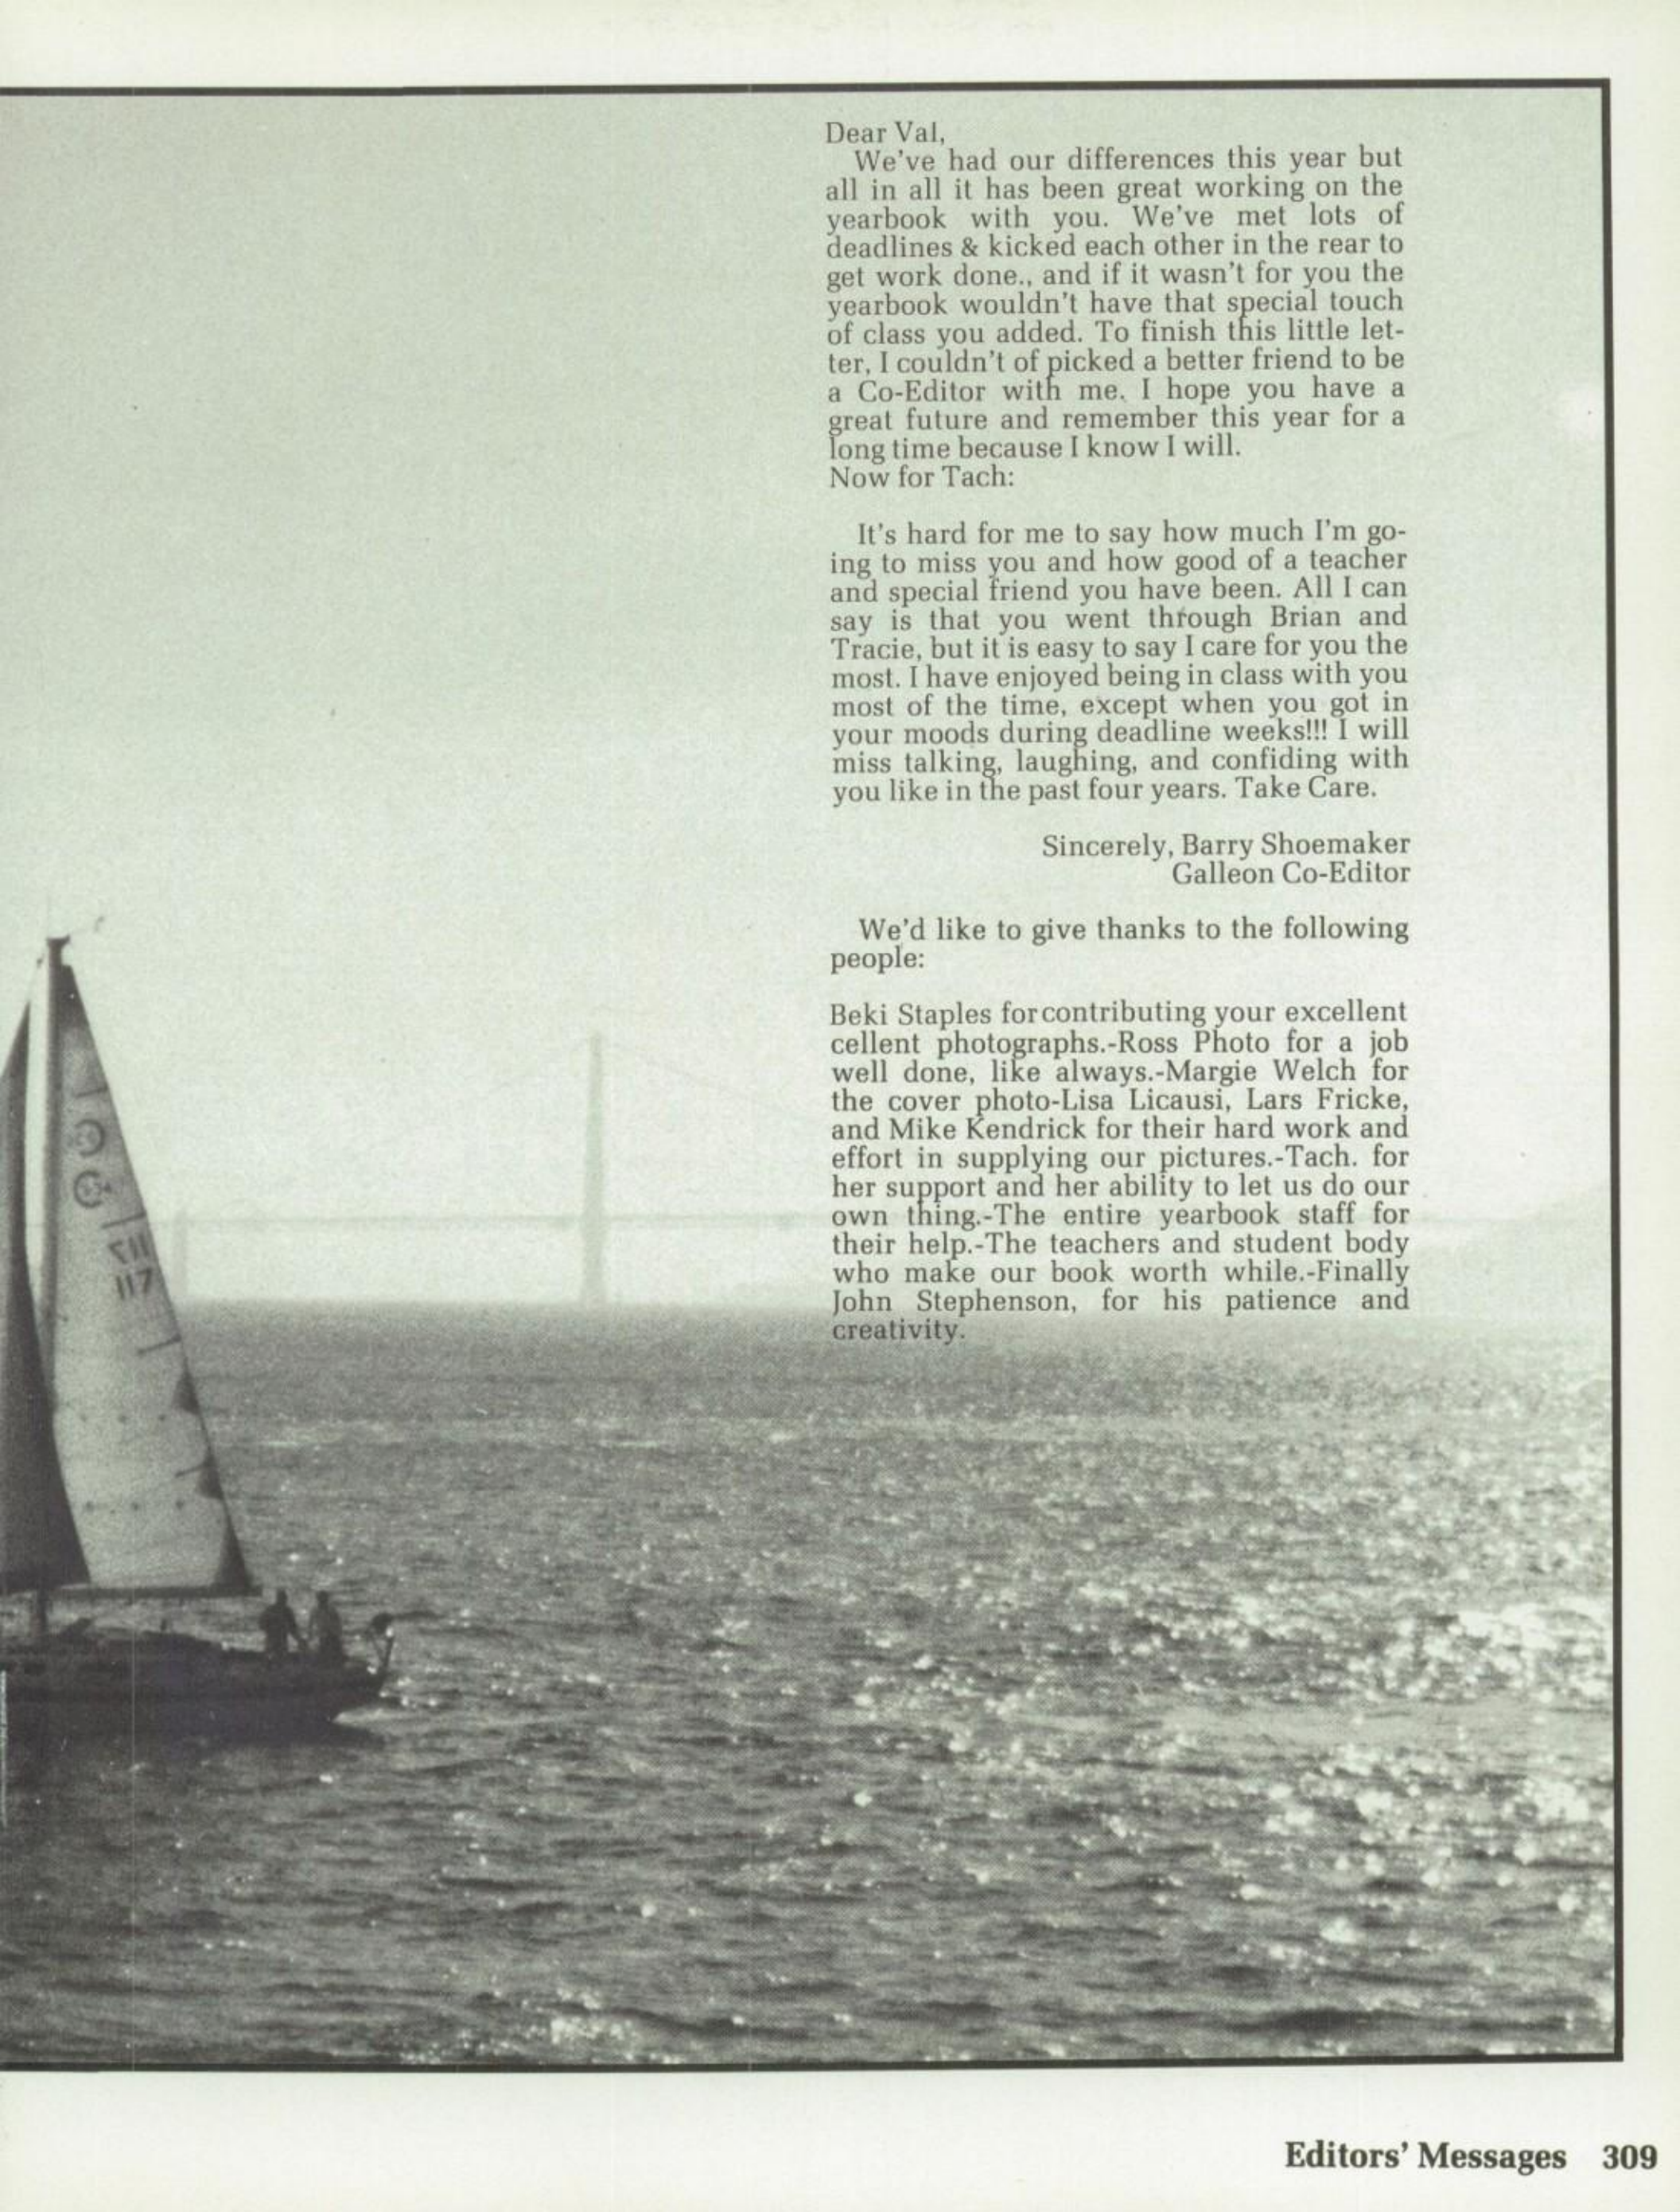

A special thanks goes to this great school which allowed us to spend exciting times in it; the teachers who make us reach for our dreams, the administrators who helped us believe in ourselves.

As we go our separate ways and explore the world, let us remember our book-crammed decorative lockers, our conversations in the locker rooms, our sardine halls during passing time and most of all let us remember each other.

Dear Val,

We've had our differences this year but all in all it has been great working on the yearbook with you. We've met lots of deadlines & kicked each other in the rear to get work done., and if it wasn't for you the yearbook wouldn't have that special touch of class you added. To finish this little letter, I couldn't of picked a better friend to be a Co-Editor with me. I hope you have a great future and remember this year for a long time because I know I will.
Now for Tach:

It's hard for me to say how much I'm going to miss you and how good of a teacher and special friend you have been. All I can say is that you went through Brian and Tracie, but it is easy to say I care for you the most. I have enjoyed being in class with you most of the time, except when you got in your moods during deadline weeks!!! I will miss talking, laughing, and confiding with you like in the past four years. Take Care.

Sincerely, Barry Shoemaker
Galleon Co-Editor
